Legion Post, Recreation Department Set Gala Show

A benefit "Jumbo June Jubilee" for the youth of Torrance, and featuring the stars of radio, TV, the stage, and screen, has been scheduled for Friday, June 1, in the Civic Auditorium, according to a joint announcement released today by the department of recreation, and the Bert S. Crossland Post of the American Legion, co-sponsors of the event.

Lou Deininger co-chairman with Joseph Platt, revealed that the sale of tickets will get under way this week-end, and that tickets would be sold by both the members of the legion post and the Recreation Department.

Producing the show will be Jan Darian of Rolling Hills, star of stage, screen, and TV. He is a product of the European stage, and has appeared at a command performance before England's King George in the London Palladium.

Other stars scheduled to appear on the program are Gus Norman, who will be fresh from the Frontier Hotel in Las Vegas; Ben and Lorrey, of Jimmy Durante's TV show; and the Jean McDougal troupe, prize-winning Scotch dancers.

Scouts Compete For All-Day Catalina Tour

Salesmanship will pay off with an all-day trip to Catalina for six Cub Scouts and Boy Scouts sometime next month, it was announced this week by Don Hitchcock, area ticket chairman for the Scout Circus to be held in the Hollywood Bowl April 27 and 28.

The six Scouts selling the most tickets to the circus will be given the free trip to the beautiful island after the circus, Hitchcock said.

In addition to the island tour, the Warner Brothers Theater in San Pedro will give a theater party for the one Scout troop and the Cub pack which sells the most tickets in the Torrance area, he said.

Competition in the ticket selling business is hot and heavy amoung the Scouts with the Cub Packs leading their older Scouts in the sales. Packs 241-C, 721-C, and 728-C are neck-and-neck in the race to attend the theater party.

Scout Troop 241 will have a bicycle camp display on the circus program. They will ride their bikes onto the huge Bowl stage and pitch camp. Sgt. A. S. Thompson of the Torrance Police Department, is scoutmaster of the troop.

To Attend P. E. Banquet

W. H. Bratton, of Torrance, will be among the Pacific Electric Railway Company agents from four Southern California counties who will attend the PE agents' 20th annual banquet, tonight at the Alexandria Hotel in Los Angeles.

William H. Parker, chief of the Los Angeles Police Department, will address the PE gathering on the subject: "The Public and the Police."

NICKEL EXPORTS

More than 95 per cent of the Nickel produced from the Sudbury mines in northern Ontario is exported to the United States and Great Britain and a few smaller industrial consumers.
