

Hi-Lites Of Seaside Heights

F. GRAYCE RYCKMAN AND MERLE HOLSTIN
FRonter 5-1779 or FRonter 5-3718

There will be a meeting of the Home Owners tonight at 8 o'clock at El Retiro Park. Discussions on the progress of our civil defense group and the latest news on the sewers will be held. If you are new to the tract, come on down and get acquainted.

Installations of PTA officers for the next school year were held May 10 at the school. Those from the Heights who took office were Mrs. Thorne, Mrs. John Robinson and Mrs. Ryckman. Also attending the meeting were Mrs. Weber, Mrs. Holstin and Mrs. Jurisich.

Doris and Curly Herbst and their oldest daughter, Sharon had quite a weekend. They drove to Joshua Tree, where Curly used to teach, and joined in the 2-day festivities which ended in a turtle race. It is an annual affair and the Herbsts go as often as possible, so it

must really be fun.

Mrs. Norman Cown of Binda-wald road and Mrs. Lessin of the Ranchos went highhat May 9, and attended the B'nai B'rith luncheon at the Biltmore Bowl. We didn't see Irma Lessin, but Bernice was really Class A.

We were asked to tell you that there will be a summer school if there are enough children who wish to go and enroll. Hours will be 8:30 a.m. to 12:30 p.m.

Also for the summer: Starting June 18 there will be a planned recreation program for Torrance. For our own interest, at Seaside School, Monday through Friday, from 1 p.m. to 5 p.m. there will be crafts, inside quiet games, outdoor games, contests and movies. And on Saturday the same type of program from 10 a.m. to 4 p.m.

Local Plants To Fly 'E' Flags May 19

In observance of Armed Forces Day, May 19, local industrial plants which received the Army-Navy "E" award for outstanding production during the World War II propose to fly the honored "E" pennant.

The Army-Navy "E" award was granted only to facilities which were particularly outstanding in production for the War and Navy departments. Excellence in quality and quantity of production were the determining factors in granting awards to industrial plants by the War and Navy departments.

Local plants earning the flag were the Doak Aircraft Company with three stars; the Felner Manufacturing Company with four stars; and the National Supply Company with three stars.

Plants which maintained an outstanding record of performance for six months after receiving the original Army-Navy "E" award were granted a star award consisting of a white star on their "E" flag.

Additional stars were won for continued outstanding performance for succeeding six month periods until the flag carried four stars, after which the interval was increased to one year.

John S. Gibson for Councilman

Voters in the Harbor City and Shoestring area, long without active representation in city government, have an opportunity on May 29 to change that picture.

By the election of John S. Gibson, they can be sure of an active, able councilman who will meet with them in their own community.

John Gibson has an excellent

background for public office. For years he has been a leader in all phases of civic work. He is a past president of the Junior Chamber of Commerce, founder of a Boys' Club, and active church worker. Gibson is a successful business man and has a reputation of "Getting Things Done."

Through his plan of advisory committees in each section of the district, Gibson proposes to represent "all of the people."
