Perry Students Play Host to Seaside

Something new in social relations was inaugurated at the Perry Elementary School last week when students in the seventh and eighth grades hosted approximately 60 seventh and eighth graders from Seaside Elementary School in a playday program.

Arriving at the Perry school about 10 a.m., the Seasideers were treated to movies, square dancing, volleyball, relay races, sack races, softball, and other "get-acquainted" games.

"These youngsters will all be in high school together, some of them next year, so they had just as well start getting acquainted now," according to Walter Rehboldt, director of instruction for the school district.

Principal Lester L. Foster of Perry said the event was also designed to give the students experience in entertaining which has been part of their training at the school.

"We hope to make this a common practice among all of the schools in the district," Rehboldt

Conductor Barbara Mabin and Phyllis Bennett will present "Andalucia," better known as "The Breeze and I," as a piano duo.

Tom Mabin and Irene Roberts will present two arias and a duet from La Boheme, and the men's quartet and the women's sextette, all taken from the choral group, will present selections, as will other soloists. For ticket information call Mrs. Raymond Hole at Frontier 52349 or Mrs. Frank Bowman at Frontier 53919.

The Study Group was present at the home of Jean Paul Friday, May 18th, to see and hear a demonstration and lecture by Jean on flower arranging. Garden and field flowers and grasses were used to show arrangements for modern, provincial and victorian style homes. Also shown were arrangements of floral groups for any occasion or type of decor. New members Pat Donk, Ray Southern, and Irene Berquet were welcomed at the meeting as they were guests.
