

Salvation Army In New Appeal For Used Items

Unusually heavy demands for assistance during winter and spring have caused supplies to run dangerously low at the Salvation Army Social Service Center serving this area...

Supplies of shoes and clothing have dwindled especially, the Salvation Army leader reported. He said there is a continuing need for these items as well as for all types of household furniture, home appliances, radios, bedding, dishes, newspapers and magazines.

In preparing for anticipated summer requirements, the center needs play pens, lawn swings, lawn chairs, patio furniture and other articles for outdoor use.

Red Shield trucks call at homes and offices in response to phone calls to Torrance 1563:

Improvement Plan Offered

Announcement of a new low cost back yard improvement was made this week by C. S. Connors, masonry contractor of 1226 Anapala.

The plan should be interesting to home owners in this area who have long wished for an economical plan for important back yard improvements such as permanent concrete block walls, patios, and barbecues," he said.

A plan to install such improvements on FHA terms whereby the homeowner will have up to 30 months to pay, is being offered by Connors.

A resident of Torrance for many years, the contractor has had considerable experience with such outdoor construction and boasts a plan for "every home, whether the back yard is small or large."
