Trust in the Lord with all thine heart; and lean not unto thine own understanding. In all thy ways acknowledge Him, and He shall direct thy paths. — Proverbs.

Never absent from your post, never off guard, never ill-humored, never unready to work for God, — is obedience; being "faithful over a few things." — Mary Baker Eddy.

Couple to Call At Square Dance

Square dancing is coming to North Torrance.

Slated for the first and third Fridays of each month is an adult square dance to be held in McMaster Park Recreation Building from 8 to 10:30 p.m.

Ruth and Harry Caruthers, well-known callers of the South Bay area, will call the dances. The pair have been calling for the "Triangle Squares" for several months.

Any intermediate dancer is welcome, the Caruthers said. Any beginners wishing to join a starting class in square dancing are urged to contact the callers at the recreation hall during the Friday night events. If enough requests are received a beginner's group will be organized.

Admission is on a donation basis.

Local Chapter of Barber Shop Quartet Singers to Get Charter

There'll be singing in the streets on the night of July 28. On that night, which happens to be Saturday, the nearly 40 members of the Torrance chapter of the Society for the Preservation and Encouragement of Barber Shop Singing in America will officially receive their charter in the international organization.

Presentation of the coveted document will be made by officers of the San Gabriel chapter of the SPERSQA. The San Gabriel chapter sponsored the local chapter in their application for membership in the organization which was started by an oil company tax consultant in 1938.

Site of the presentation has been announced as the El Camino Campus Center, a plush student lounge and cafeteria on the El Camino Campus.

APPLIED IN APRIL

The local chapter first made their charter which had been countersigned by O. C. Cash, founder and permanent third assistant temporary vice-chairman and the ceremonies planned will make it all official. Three choruses and from eight to 10 quartets are scheduled to appear on the program. Officers from the Western District have been invited to attend the Charter Night celebrations, and they all like to sing.

application for admission to the parent organization of harmonizing to Herb Allen, president of the local chapter.

FOUR QUARTETS

The Torrance chapter has four quartets now. Allen said. He indicated that this was a good start for a young club. The quartets specialize in old-fashioned barber shop harmony and are in constant demand by clubs and organizations.

The chapter rolls are still open, the president said, and anyone joining before July 28 will be considered a charter member. The group meets each Thursday evening at Torrance High School. Members include bankers, steelworkers, carpenters, draftsmen, businessmen, and men from many of the city's industries.

WOMAN HAS ARMS ENLARGED

Mrs. Minerva Clarke of this city recently reported having her arms enlarged to twice their natural size. When questioned about the operation, Mrs. Clarke said that she felt the enlarged arms were much more attractive and more functional since "more of my friends can sit on them now!"

The arms referred to are those belonging to Mrs. Clarke's divan, Mr. Jackson Vink of the Torrance Upholstery Shop, 1927 W. Carson Street, performed the operation. He says "1951 people go well with 1951 furniture. We restyle the latter only. The phone please — Torrance 1157."
