Animal Lovers

"Few realize as they should the sinfulness of abusing animals or leaving them to suffer from neglect. He who created man made the lower animals also, and 'His tender mercies are over all His works.' The animals were created to serve man, but he has no right to cause them pain by harsh treatment or cruel exaction. . . . He who will abuse animals because he has them in his power, is both a coward and a tyrant. . . . a record goes up to heaven, and a day is coming when judgment will be pronounced against those who abuse God's creatures."
