### Two Enlist In Air Force

Two local young men have enlisted in the U. S. Air Force, the recruiting service announced this week.

Kayano Shiroyama, former Torrance High School student artist, is now taking basic training at Lackland AFB, San Antonio, Texas.

Harold Duncan, 1338 Carson street, who attended Narbonne High School, is also taking his basic training at the Texas air base. Duncan played at the end position on Narbonne's Eastern Marine League Championship football squad in 1949.

Shiroyama attended El Camino College after graduation from Torrance High.

Air Force officials announced that all draftees who have taken their pre-induction physicals but have not received their order for induction, may enlist in the Air Force until September 30.

### Walteria News Notes

By BETTY MITCHELL

Well, with Labor Day over, everyone's thoughts are turning to the start of another year's activities in school. Our streets will once more be quiet while sister and junior learn their three R's. From what this reporter has heard, this school year will really be an active and profitable one. Many of the programs are already planned and are ready for the children to enjoy. May we take this opportunity to wish the teachers, students and PTA a very successful and enjoyable school year.

Mr. and Mrs. J. P. Pickett, Newton street, spent Monday, Labor Day, at the home of Mrs. Wilda Pickett in Hawthorne.

Having a lot of fun recently were the Bert Moseleys of Ward street, who were the guests of Mr. Harold Kramer at the annual picnic of the Union Ice Company, Hollywood plant. The outing was an all-day picnic beginning with breakfast at 10 a.m. at Papa Willow Lake Swimming and boating were enjoyed by the group, followed by a picnic lunch before all went home, tired but happy.

Having fun at an evening of cards on Monday, August 27, were Mrs. Bonnie Beck, Mrs. Gladys Grabert and Mrs. Nancy McNeil. They all met at the home of Mrs. Betty Hardesty on Raintree avenue.

Mr. and Mrs. W. Gondino and son Billy from San Francisco are visiting Mrs. Marguerite Sanders and sons, Steve and Danny, of Ward street.

Some of our young folk had a good time last week when three couples went downtown on a dinner date. Miss Lois Phelps, Bob Brow, Margaret Tinkle and Jim Whitmer were two of the couples having a good time at this outing. The couples went to Welch's for dinner and then went to the theater.

### Jaycee President Lauds Group For Work in Membership Drive

Thirty per cent of the membership drive goal set recently by the Torrance Junior Chamber of Commerce has been reached according to an announcement this week by Bert Lamb, president of the junior boosters.

"The past six weeks of this drive have been successful in bringing new members into our organization who are interested in the civic betterment of our city," Lamb said. He expressed his confidence that as the program gained momentum, there would be many more young men who would become aware of the aims and social activities of the Jaycees and want to join in the activities.

ABLE MABEL HELPS  
The drive to double the organization's membership of 50 was launched several weeks ago with the help of Able Mabel, a young expectant rabbit. Each member who came into possession of the rabbit had to sign up a new member before he could pass it on. Marvin Goetsch finally fell heir to a litter of little mouse-like bunnies.

The latest reports have the young mother and her wee ones in the loving care of Joe Helphand and family. Joe was frantically checking for a new member this week.

Success of the program so far was also hailed by Sam Van Waggoner, chairman of the drive.

He complimented the membership for the splendid cooperation.

The Walteria Library will be closed Monday, September 10, in observance of Admission Day, but will be open on Tuesday, September 11, from 12:30 to 6, and 7 to 9 p.m.

Mr. and Mrs. C. B. Martz and children, Linda and Pamela of Newton street, returned Friday after a week's vacation in the mountains.

Mr. and Mrs. Geo. Powell and children Lorene and Georgiarae of Los Codona avenue, are spending a week's vacation in the mountains.

Residents in the older section of Walteria are breathing a sigh of relief as they watch the new water line going in. This is an improvement which has long been needed.

George Gardner and his family are another group which was able to enjoy a trip to the mountains for a vacation. George has been gone about two weeks. They came back with a fine catch of fish, most of which were delicious rainbow mountain trout.

Mrs. Helen Teel of Lomita, formerly of Walteria, called on several of her old friends here in Walteria two weeks ago.
