League Plans Two-Day Sale Of Yule Gifts

The Assistance League of San Pedro insists there are just as many new fashions in Christmas gifts as there are in fall clothes, and to prove the point and better acquaint the Bay area with their gift shop, the Assistance League has scheduled a brilliant and sparkling Christmas Gift Show for Tuesday and Wednesday, October 23 and 24, from 1:30 to 8:30 p.m.

The shop committee has even provided a Christmas punch bowl to quench the thirst of holiday shoppers and the Assistance League invites everyone interested to come and bring your friends to this novel show. No admission charge and the proceeds all go to further the Assistance League charities.

Children's Country Fair Set for 27th

Norwegian delicacies, peasant art, Yugoslavian Chioppino, Crepes Suzettes, and unique Christmas ornaments will be among the many foreign foods and wares displayed for sale at the Children's Benefit Country Fair, to be held Saturday, October 27, from 11 a.m. to 11 p.m. in the Kelvin Vanderlip Gardens, Portuguese Bend, on the Palos Verdes Peninsula.

The gay occasion has been planned by the Women's Auxiliary of the San Pedro Community Hospital, with a double goal: to raise funds for renovating and re-equipping the Children's Ward and to acquaint residents of the Harbor, South Bay and Palos Verdes Peninsula areas with the hospital's splendid facilities.

One unusual attraction of the colorful festivities will be the many artists located around the gardens to do charcoal and pastel portraits of fair-goers.

Art groups will exhibit paintings, ceramics, and arts and crafts, while the hospital will display equipment the Auxiliary

BACK THE USO

An important sign of our times is the return of USO, a friendly sign to millions of servicemen and women. To them the very letters, USO, mean comfortable arm chairs, music, friendly hull sessions, home-made cake and sandwiches. Right now the USO is striving to open over 100 new lounges so that every person in uniform, here and abroad, will have a home away from home. You can help hang out the friendly sign of the USO in lonely far-away places by volunteering to help in your Community Chest campaign. Back the USO by becoming a Red Feather volunteer!

A National Problem

It has been recently estimated that eight and a half million people in the United States need some form of psychiatric help.

For children there will be a puppet theatre holding performances in the Pepper Alley at the west end of the terrace, a small carousel, pony rides, balloons and all the trappings vital to a fun-filled Saturday, and schools throughout the area will provide entertainment.

Cub Pack 726-C Meets Friday Night

The monthly pack meeting of Cub Pack 726-C will be held Friday, October 19, at 7:45 p.m. in the recreation building at El Retiro Park.

A film, "Cubs in the Den," will be shown. The South Bay district executive, Bill Bent, will speak to the parents on Scout-ing.

Boys who live in Seaside Ranchos or Seaside Heights, and who are eight years old, or almost eight, are invited to attend the Pack meeting with their parents, to learn how to become Cub Scouts.

Pack 726-C will accept a limited number of boys this fall. For more information call E. W. Gravin, Cubmaster, at Frontier 6-5058.

AT TEAC MEET

Representing the Seaside Elementary School PTA at the monthly meeting of the TEAC was Mrs. Dorsey Gruver. The subject of the program was "Emphasis on Language Arts Program" upon which panel two of the Seaside Elementary Teachers was featured.

Reporting System Subject For PTA Panel Discussion

First meeting of the year for Torrance High School PTA was an enjoyable affair opening with a potluck supper served in the cafeteria. Elmer S. Moon, president, called the meeting to order at 8 p.m. in the library.

Chairman's reports were heard during the business session and the program featured baritone horn selections by Ross Sciarrotta Jr., whose accompanist was Miss Mickey Vandeventer.

"High School Reporting to Parents" was the subject of a panel discussion by teachers, parents, and students. Panel members included Thomas Fuller, James Hale, and George Bradford, teachers; Mmes. Edward Rhone, Dr. K. D. Figgins, and Mr. Grover C. Vandeventer, parents; and Miss Arlene Smart, and Edgar Forcier, students.

John K. Steinbaugh, principal, opened the discussion by informing the group that any new system of reporting will still be kept "within the framework of the present system" and the present A B C grading, representative of the usual meaning, will still be used. He stressed the fact that a single grade in any subject does not give much information and the idea is that in addition to the single letter grade, other data should be supplied.

The audience was intensely interested in the new system, criticism was given and suggestions made, and the new ideas were favorably accepted. The project is strictly in a development stage and school authorities are still perfecting their plans.

It was announced that two appointments have been made by the 19th District from the Bert S. Crossland Unit 170 to serve for the coming year, Anne Olson, chaplain; Persia Fess, legislation chairman.

Interesting reports of delegates from the State Convention at San Diego were given by Annie Olson, chairman of the delegates, Persia Fess, Mabel Williams, and Mary F. Toombs.

Refreshments were served at the close of the meeting with Evelyn O'Hara, Persia Fess, and Mabel Williams as hostesses.

Surprise Parties Honor Two

Mrs. Hazel Hutton, past oracle of Torrance Royal Neighbors, was the surprised honoree with neighborhood and other friends arrived at her home, 703 Cota avenue Tuesday afternoon to honor her on her forthcoming birthday.

A handsome group gift was presented by approximately 27 Torrance ladies, and refreshments of ice cream and cake provided by the group were enjoyed following an afternoon of games with traveling prizes.

Mrs. George F. (Susie) Walker was honored at a similar party arranged Monday evening as a complete surprise by about 19 of her friends, including many of those at Mrs. Hutton's party.

A beautiful personal gift was presented and refreshments were served. The evening was spent playing pinocle and canasta with traveling prizes.

Setting for the surprise affair was the home of Mrs. Arthur B. Jepson of 218th street and Denker avenue.

ASSIST HEALTH PROGRAM

Three hundred and forty-three children of the 18th Street School received diphtheria-tetanus immunization shots last Monday. 18th Street PTA members assisting with the immunization program were Mesdames Clark Hill, Oliver Lang, Raymond Pickett and Leon McMillan.

FAIR TRIAL

One Community Chest service in regular demand is the one provided by Legal Aid Foundation of Los Angeles. Through this service anyone, regardless of purse, is guaranteed a fair trial before the bar of justice. Last year free legal services were given to 12,465 clients by this Red Feather agency.
