

Where light is right—  
living is better!

"Light Condition" your dining room to provide greater visual comfort and to add an enlivening note to the atmosphere. Remember, good light is important in protecting your family's sight.

Whether it's a full size dining room or an alcove extension of the living room, it's a place where your family and friends gather. And "light conditioning" can add much to the gatherings.

With new valance and ceiling fixtures designed for the purpose, you can arrange a choice of lighting to fit any occasion, mood or menu. You can have the room soft and glamorous or bright and cheery—all at fingertip control.

Whatever the size and shape of the room, and no matter how it is furnished, your electrical dealer has fixtures to fit right in. They'll fit your budget, too—so see your dealer now.

SOUTHERN CALIFORNIA EDISON COMPANY

### Torrance Man New Division Chief for GP

L. L. Tarpe, of 155 West Ocean street, has been named northern division superintendent of the pipe line department of the General Petroleum Corporation, according to an announcement by George Supple, vice president and director of pipe lines.

Tarpe, who spent the first 20 of his 29 years with General Petroleum in the Lebec station of the company's Te-ancho pipe line, has been assistant superintendent of the southern division for the last five years.

### Circle 3 to Meet Today

### Moose to Honor Moosehart with Dinner Meeting

In excess of 500 people, civic and religious dignitaries and members of lodges in the Bay area, are expected to attend the "National Moose Day" dinner honoring graduates of Moosehart High School, scheduled by the Torrance Lodge Loyal Order of Moose for Saturday, October 2 at 7 p.m. at the hall, 174 Carson street, George Powell, governor, announced this week.

James West, regional director of the Moose, 30 Moosehart graduates and the ministers of the Torrance lodge at this major Moose function heralding the finished examples of Moose philanthropy.

Dinners will be served, according to Dan Hutchins, a member of the preparations committee, from 6:30 p.m. until all have been served.

A film depicting life at Moosehart, Ill. the "Child City," will be shown immediately following the dinner.

### Tartar Teen Talk

By BETSY SHAW

The Associated Student Body Card contest is now officially closed. With a stupendous 89 per cent, the senior class walked off with top honors after the results were announced at an assembly last Friday. Giving the seniors some tough competition was the junior class with 86 per cent. The Freshmen tabulated 78 per cent to bring their class into third place and last, but not least, was the sophomore class with 76 per cent. The Student Body, as a whole, broke all previous records with a brilliant 82 per cent of its members in possession of A.S.B. cards.

When last year's Student Council set up the budget for the school year 1951-52, they stated that 70 per cent of the Student Body must be sold Associated Student Body Cards in order to meet our financial needs. Torrance High is very happy that we not only made our goal of 70 per cent but exceeded it by 12 per cent.

Smash Santa Monica! This cry is currently being heard on the high school campus. Next Saturday night the Tartars meet the dreaded Vikings on the opponent's field for what promises to be a really tough gridiron battle. In order to smash Santa Monica, we'll need a roaring rooster's section, so we hope the whole city of Torrance turns out to cheer their team to victory.

Bewildered freshmen there will be no more. Members of the Student Council are now working on a handbook to be given to all freshmen and new students next fall, included in the handbook will be information on all school clubs, songs and yells, faculty and school officials, various maps of the school, and information on the Student Council and its members. The purpose of this handbook will be to help all new students in orientating themselves to Torrance High.

Since the beginning of football season, Torrance High students have talked constantly of winning the Sportsmanship Trophy. What is this trophy and how does a school win it? The Sportsmanship Trophy is awarded each year to the school in the Bay League displaying the most sportsmanlike conduct during football season. The winners are chosen because they most closely abided by the following:

1. No smoking or drinking in the rooster's section.
2. The use of noise making devices is prohibited.
3. Cooperation with their song queens and yell leaders.
4. Courtesy to the opponents and all officials at their games.
5. No after-game rowdism.

At the beginning of each football season, all Bay League Schools are rated 100 points. Points are taken off for each of the rules that are broken. An official and representative from both schools are seated on the field during each game and determine the number of points that school will receive. At the close of the football season, the school having the highest number of points is given the award.

Torrance High School is out to win the Sportsmanship Trophy this year. Help them win by cooperating with school officials in enforcing the sportsmanship rules.

Last week, Marian McDonald appeared before the Student Council to try and arrange for a representative from the Girls' Athletic Association to become a member of the Student Council. She emphasized her organization's need for a representative to present all problems concerning the G.A.A. with the Student Body to the Council. It was only then that the Council realized the need for an Inter-Club Council at Torrance High School. This Inter-Club Council would be composed of the presidents of all school clubs and would work hand in hand with the Student Council in bettering their organizations. At present a committee is working on the organization of such a council. However, the Inter-Club Council will probably not take effect until the beginning of next year.

### Instrument Conference Stated by Harbor Tech

Representatives from local oil refineries, chemical plants, food processing plants, public utilities and instrument manufacturers will hold a three-day Instrument Maintenance Conference at Harbor Junior College during the period November 15-17, according to Raymond J. Casey, Tech director.

### Torrance CPA, Publisher To Attend Installations

National, state, county and city officials and civic leaders from Los Angeles and Orange counties will be guests at the inaugural banquet of the Long Beach chapter of the California Society of Certified Public Accountants today at Lakewood Country Club, Long Beach.

Paul D. McClaughry of Long Beach will be installed as president of the newly-formed group, which will serve Long Beach, Los Angeles Harbor area and Orange county.

Congressman Norris G. Poulson of Los Angeles, a member of the state society, heads the list of public officials. Presidents of chambers of commerce in surrounding areas also are among the more than 175 who have accepted invitations.

The Long Beach chapter will be the tenth such chapter of the state society.

Dinner is at 7:30 p.m., to be followed by presentation of the chapter's charter by C. C. Gabrielson, state society president.

Among those who will be in attendance is William A. Zoeller, CPA of Torrance who will have as his guest Grover C. Whyte, publisher of the Torrance Herald.

### School Sets Benefit Show

A fund-raising benefit show to defray costs of constructing the recently completed Parkview Lutheran School in the Alondra Park area will be held at the Alondra Park Recreation hall tomorrow evening, beginning at 8, it was announced this week.

Featured on the show will be the Footlight Players, who will put on a melodrama called "Kurse of the Klondike," or "Nuggets to You."

The Footlight Players are local residents with experience in drama and comedy productions of professional and semi-professional status.

Torrance's own Deacons, barber shop quartet, will be on hand, as will other performers. A donation of 50 cents to the fund will admit anyone to see the show.

# 92<sup>nd</sup> ANNIVERSARY

A demonstration of how A&P helps you save on your total food bill!

COME! SHARE! SAVE!

**Customers' Corner**

If there were a popularity poll about food stores, A&P would have to be first.

For more housewives buy their food from A&P than from any other grocer.

Does your A&P get your vote as the best place to shop? If not, please let us know. Please write:
