

## Dental Program Must Be Preventive, Doctor Avers

"We have a great need for some sort of dental program and any dental program that is instigated in the city of Torrance must be a preventive one," said Dr. Arthur Berke as he spoke Wednesday of last week on the Torrance Council PTA symposium on the theme "Good dental health equals good community living."

Representatives from Seaside, Waverly, Torrance Elementary, North Torrance, Torrance High School, Perry and Fern Avenue PTAs

were present as well as service club representatives. Music was provided by Eldridge Walker, who played the following piano solos: "Fur Elise, (Beethoven); "Lento," (Cyril Scott) and "Liebestraum," (Liszt).

The following committee was appointed to further develop the health improvement program in Torrance: Mrs. Ralph McBee, chairman; Mrs. Victor Benard, Dr. Berke, Walter Berwoldt and Mrs. M. B. Millar.

## Spanish Food Specialties Planned for PTA Carnival

Everyone in the community is invited to attend the gala Halloween carnival at Torrance Elementary School on Halloween night, starting at 5 o'clock.

Hot dogs, potato salad, baked beans, pop and candy will be dispensed and a specialty of the evening will be a booth featuring Mexican food, with lots of tacos and enchiladas.

On the entertainment program will be a house of horrors, bean bag throw, picture show and games. Everyone is urged to attend and support the PTA.

At Wednesday's monthly meeting one of the purposes of PTA was accomplished when Dr. Arthur Berke gave an illustrated talk on prevention of crippled mouths in young adults.

A trio composed of Mmes. A. W. Dobrick, J. W. Croly, and H. F. Strolm and their accompanist, Mrs. Edna Chapman, gave a

hilarious rendition of a PTA song.
