Chmara, organizer.

Novel Kitchen Symphony Launched by Walteria PTA

The newest in musical news in Torrance is the newly formed Walteria PTA Kitchen Symphony, an outgrowth of the desires of a group of young mothers to have some lively fun with their "humdrum" kitchen gadgets and to provide some lively entertainment for other "kitchen-tenders."

The group's first concert was well received at the October Walteria PTA meeting before a full house of mothers and fathers. They have offered their talents to other PTA groups.

Mrs. S. Chmara, PTA music chairman, plays the washboard and "rubbed out the obstacles" to get the group under way. Mrs. Loren Skinner "spoons the tunes" for instruments made from a popcorn popper, fly

spray, plunger, hot water bottle, and spray, funnel, feather duster, egg beaters, juicers, and many other kitchen utensils. Mrs. B. Richardson, drum major, leads the way with the "name-sake" wash tub and dish mop. Cotton dresses and aprons constitute uniforms for the group.

Other musicians are: Mesdames Robert Harris, Wendell Groves, H. Harry, M. Ramirez, Edwin Rowell, E. Anderson, J. Williams, A. E. Langston, J. McLaughlin, C. W. Johnson and G. Karhu.

USC Speaker To Address Seaside PTA

After that first or second hot dog, a PTA-sponsored hot lunch program, one is apt to hear some hurrahs at Seaside Elementary School on Wednesdays and cries of "Here Comes the Book Lady." To those of us acquainted with school routine, those glad cries herald the approach of the Library book cart, from which every Wednesday Mrs. W. S. Schockency, PTA Library chairman, loans more than 300 books.

Began last year as a temporary project, the avid interest of the children and their parents in this project have made it self supporting and through loans and gifts have made the collection of interest to first graders as well as eighth. Some of the books are loaned each year through the courtesy of the Torrance City Library, some through the kindness of parents whose child has outgrown them. But the wholehearted appreciation of the children at Seaside Elementary School make it a welcome day in the week.

As guest speaker at the November general meeting November 8, the Seaside PTA will enjoy a lecture by a member of the University of Southern California Department of Education, whose topic will be "Children's Books and Literature." It is hoped that some ideas for Christmas gift books for children will be adopted by the parents attending this meeting.

Seaside PTA Board Meets

The monthly meeting of the executive board of Seaside Elementary School PTA will be held at the home of Mrs. Earl Sacks, 5342 Sharynne Lane at 9:30 a.m. today.

Guest speakers will be Albert Posner, Administrative assistant, Torrance Board of Education, who will discuss the status of Seaside PTA in Civilian Defense.
