Tartars Face Hawks in Homecoming Tilt

TORRANCE HERALD Sports

Four NOVEMBER 8, 1951

Boyd Crawford Breaks Ankle

Breaking his ankle during the first quarter of play against Lewis and Clark last week was Boyd Crawford, former Torrance High School and El Camino College athlete now playing with Coach Eddie Cole's College of Idaho Coyotes. The first-string quarterback for Coach Cole's grid machine, the loss of Crawford will hurt the team's chances for conference honors, Cole said after the game.

The Lewis and Clark team, one of the strongest in the Northwest Conference, downed the Coyotes 42-14 in the game.

Tartarbabe, Beehawk Clash Set for Today

By LEO MELTVEDT

The second-place Torrance Bees travel westward this afternoon when they clash with the seaport village of Redondo. The Bees, clinging to second place in the Bay League, will be facing a stiff rival at Redondo.

The Beehawks, who work strictly out of the single wing, have put the stress on power this season and it seems to have worked out quite well. They are tied for first place in the league with Santa Monica.

The Tarbes lost to Redondo last year and will be hot after revenge, especially after losing to Santa Monica two weeks ago.

Two changes have been made in the Tarbes offensive lineup — Buddie Powers has been switched to the tailback position and Joe Lafferty has moved to right half.

Another Ticket Gate Set Up For Grid Games

A ticket gate for the last three home games of the Torrance High School football team will be set up near the Administration building for those parking their cars on Plaza del Amo, Principal John Steinbaugh announced yesterday.

Steinbaugh said good crowds were anticipated for the next three games — Friday night against Redondo Beach, November 16 against Beverly Hills and November 21 against Narbonne — and that the gate on Plaza del Amo would make it easy for fans to enter the stadium area.

Tartars Need Win

A Tartar grid machine that has been in the doldrums since the Fourth of July celebrations will face an inspired Seahawk aggregation from Redondo here tomorrow night in a game being billed by High School enthusiasts as the decider for the third spot in the Bay League.

HARRY BAYLESS
 ... Goes 75 for 6

Some hope that the Tartars would come out of the slump and decide to play football for a change was voiced by various members of the High School of fieldwork this week. Coach Cliff Graybehl, complimenting Bayless on his 75-yard run which scored the Tartars' only run against La Jolla last week, said his team was coming "up" for the game and should be able to account for themselves with the traditional "big game."

The Tartars dropped a 26-6 game to La Jolla last Friday in a tilt that saw half a dozen long, thrilling runs. Both Bayless and Charlie Camou, backfield threats, will be able to go Friday, Graybehl reports. The game will start on the Torrance field at 8 p.m.

Ace Vaughan Leads Bowlers

Ace Vaughan, king of Torrance bowlers, is holding the top spot in the All Star Singles Eliminations running at the Belmont Bowl, Boulevard, and Virginia Recreation. Rolling a close second after the first round of the finals, is his brother Jim, while another Torrance bowler, Ray Comerski, is now ranked sixth.

Standings are computed on the Petersen Point System, which gives points for games bowled, pins, and other conditions.

Ace leads in Petersen Points with a total of 56.04, while his brother, Jim, trails with 55.24. However, Jim leads in total pins, 2474 to 2404.

Comerski has 2211 pins and 49.11 points to his credit. The trio will bowl with the rest of the contestants at the Boulevard, Saturday at 6:30 p.m. and again Sunday at Virginia, beginning at 1 p.m.
