Acknowledges Courtesies

St. Cecilia's Guild served dinner Thursday to more than 200 persons as its part in the church-wide bazaar sponsored by St. Andrew's Episcopal Church. Mrs. Sarah Muhleck and Mrs. Una Dalton were chairmen for a delicious roast pork dinner, which was served from 5:30 until 7 o'clock.

YPF members, under direction of Mrs. Mabel Wiese, not only decorated the hall attractively but also helped guild members in serving the dinner.

Mrs. Muhleck wishes to thank all those who gave their time and effort in making the dinner a success.

St. Cecilia's again wishes to thank the following business concerns who generously gave gifts for the progressive card party:

La Galeria Florists, La Tienda Gift Shop, Lawson's Jewelers, National Home Appliance Company, and Parrish Stationers.

Symposium Features PTA Meeting

The November meeting of Torrance High School PTA held Tuesday evening of last week in the school library, featured a symposium in which students, parents and teachers were represented.

Mrs. Philip Shaw, representing the parents, discussed "Democracy in the Home."

Students participating were Jo Ann Benard, whose topic was "Democratic Processes"; David Scholl, "Education in Democracy"; Byron Johnson, "Loyalties Required of Free Men" and Lorita Shellman "Disciplines of Democracy."

Ivan Malm, faculty member, summarized the discussions and concluded with his views of "Student Planning vs. Teacher Domination."

Relationship between functions of Red Cross and Civilian Defense were outlined by Mrs. Don Hyde, Red Cross branch chairman, and George Powell representing the Civilian Defense.

A delightful program given by Torrance Barber Shop Quartet completed the enjoyable evening.

Refreshments were served during the social hour when freshman mothers were honored.

Mrs. McBee Entertains PTA Group

Mrs. Ralph McBee, president of North Torrance Elementary PTA, entertained at luncheon last week for members of the Torrance PTA Council.

Guests included Mesdames A. B. Cowie, council president; A. C. Turner, council parliamentarian; Victor Benard, council first vice-president, and the following PTA presidents: Mmes. Gerald G. Grubb, Fern Greenwood; Byron Johnson, Seaside; E. Collier, Perry; H. E. Carr, Torrance Elementary; Glenn Hardcastle, Walteria, and Mr. Elmer S. Moon, Torrance High School.

ALA Member Joins WAVEs

American Legion Auxiliary members gathered in the clubhouse Tuesday evening of last week for a business session conducted by Mary Toombs, president.

With November set as membership month, Annie Olson, chairman urged the support of members in the annual campaign. At the close of the business meeting she served as chairman for the social hour.

Of interest was the announcement that Mary Elizabeth Schultz, an active member of the organization, had left for the east coast to begin her training with the WAVES.

Miss Schultz represented the local auxiliary unit when she served with the hospital committee doing wheelchair escort duty in Long Beach Veterans Hospital.

Reflections

By J. Hugh Sherfey, Jr.

Thanksgiving

A crippled child was laboriously pushing the wheels of her wheelchair. Her smile was infectious yet my heart went out to her as I asked, "For what will you be most thankful on Thanksgiving Day?" "For my wheelchair; I can go places," she answered and went happily on her way.

A widowed mother with three small children was badly burnd as she rescued them from her burning home. Everything they had was consumed by flames. I asked, "For what will you be thankful on Thanksgiving Day?" "For the best neighbors in the world," she answered. "They're taking care of my babies."

I stopped at a tiny house filled with flowers. Rapped. An old, old gentleman answered, invited me inside. His clothes were clean and patched, his face was lined; below a mop of white hair his eyes twinkled as he sat on an old rocker. I asked, "For what will you give thanks on Thanksgiving Day?" "For God's riches," he answered, pointing at his flowers in a way that brought a lump into my throat.

Beauty, spiritual qualities, good neighbors and simple things are the riches of heaven; give Him thanks for them.

SERVING TORRANCE . . . with

SERVEL

Only one refrigerator makes ice and cold with no noise, no vibration, no hum of stopping and starting. That's the famous Servel. Servel stays silent, lasts longer because it hasn't a single moving part in its freezing system. It's marvelous; it's motorless. Prices as low as $239.95.

DEPENDABLE PRESCRIPTION SERVICE

How to make good telephone service even better....

You won't miss important calls when you answer promptly. When you have only two cards left to play in an exciting grand slam hand—or in any situation where you'd like to say "Wait a minute!"—it's always a temptation not to answer the telephone immediately. The person calling, though, doesn't know what you're doing, and may hang up, thinking you are not at home. That way, you may miss important calls. So, next time your phone rings, won't you try to answer as quickly as you can?

faster long distance service

can be yours if you always give your call to the operator by number ...rather than by name and address. That way, you see, you won't have to wait while she finds out the number from "Information" in the distant town you are calling.
