

**Walteria News Notes**

By BETTY MITCHELL  
Phone Lomita 2835-W

The MYP installation was held at the Walteria Recreation Hall on Sunday evening, January 6. At a beautiful candle-light service 12 officers were put in office. Officiating for the installation was Miss Ruth Podmore, a senior at Whittier College. Guests for the evening were Reverend and Mrs. Bowring. Also invited were parents of the new officers. After the service, the group of 60 people were served cookies, coffee, and punch. On January 27 the MYP will journey to the Pacific Palisades Church as invited guests.

Mr. and Mrs. Bruce Howey, Wainlock drive, watched the Rose Parade on New Year's Day, and then visited friends in Baldwin Park. The friends were Mr. and Mrs. Clyde Rollins.

Mr. and Mrs. Paul Denver of San Francisco were overnight guests at the Harline home, Los Codona avenue, on Thursday, January 10.

Mr. and Mrs. C. H. Beck, Raintree avenue, and their daughter Peggy, enjoyed a week's trip recently when they went to Paradise, Calif., to visit Mr. Beck's parents. They were only greeted by rain, though, as they missed all the snow.

Mrs. Margaret Dowd and Mrs. Ethel Mosley attended the Open House at the North Torrance Branch Library on Friday, January 11. Hope our community will be able to boast of such a nice building sometime in the not too distant future.

Seems that the measles as well as the mumps is making the rounds. Confined to his house last week was Kurt Corey, son of Bud Coreys, of Hawthorne boulevard.

The Walteria Methodist Community Church is planning a reception to be held for the new minister, Reverend Bowling, on Thursday, January 31. Quite a crowd is expected to attend to greet these welcome additions to our community, since it is a "good acquainted" affair and not limited to the church members alone. The welcome mat is out to one and all.

House guests at the home of Mr. and Mrs. William Mitchell are Mrs. Raek Knox and her children, Alec and Candy. Mrs. Knox is Mrs. Mitchell's sister.

Sgt. and Mrs. Mickey Combs and their infant daughter, Vicki, who have been visiting Mr. and Mrs. Carl Combs, Nece avenue since their arrival from Washington, D. C. on Christmas Eve, have moved to their home in Redondo Beach. Mickey is soon to be sent overseas with the U. S. Air Force, but his wife and daughter will remain in Redondo.

Mr. and Mrs. Will McFarland of Danaha street were New Year's Eve guests with several other couples at Green Valley in the mountains. There they enjoyed a gala New Year's Eve party.

The St. Margaret Mary Guild held a meeting at the home of Mrs. Marie Moore, their prefect, on Monday evening, January 7. Sixteen ladies enjoyed the meeting which included plans for a cake sale to be held in February. The next meeting will be held on the first Monday of February.

**Visit Scheduled For X-Ray Unit**

Plans have been completed for a one-day visit of the mobile chest x-ray unit of the County Health Department at Sartori and El Prado, Torrance, Monday, February 18, according to Dr. Roy O. Gilbert, County Health Officer. Chest x-rays are available to all residents over 15 year of age, but minors must have the written consent of their parents to receive this service. It is suggested that housewives obtain their x-rays during the day in order that the late afternoon hours can be held for those who are unable to attend earlier.

**TEN-YEAR GUARANTEE**

World's longest refrigerator guarantee

Only one refrigerator makes ice and cold with no noise, no vibration, no hum of stopping and starting. That's the famous Servel. Servel stays silent, lasts longer because it hasn't a single moving part in its freezing system. It's marvelous; it's motorless.

COMPARE BOTH TYPES... YOU'LL CHOOSE
