## Golf Tourney Slated for Alondra Links

Five 'cards' will vie in the Southern California Public Links Golf Association tourney, slated to get under way at Alondra Park Sunday.

The Alondra Park Men's Club could not foster enough low handicap players to form a team and will not enter.

On Saturday the Richfield Oil Company golfers will gather at the links for their annual company tournament.

Alondra Men's Club president Bob Adams took over the reigns of that organization Tuesday evening at the first meeting. Other new officials include Russ Todd, 1st vice-president and tournament chairman; Don Kistler 2nd vice-president and handicap chairman; George Bednar, secretary, and Gil Brost, treasurer.

Member John Kellogg was the winner of the UCLA Bruin golf day held recently with a four over par 76. Don Aitken was runner-up with a 78.

## Cop First Victory In Leuzinger Fray

It looks like the Torrance High cagers will do more than just fade away come next Thursday night when the Bay League basketball race comes to an abrupt halt.

For the Tartars, who take on mighty Redondo tomorrow night, and Beverly Hills next Thursday eve, stalked up their initial win of the season last weekend when they smashed past Leuzinger 61-58 in a thrill-a-minute that went into two over time periods.

The potent Redondo High Sea Hawks presently are at the head of the class, dumping Beverly Hills and Inglewood in week-end quarrels.

Beverly started Leuzinger Friday night, but ain't still out of the win money.

Both the Tartar-Redondo and Beverly game will be played here.

Number 13 was the lucky number for the local cagemen in their victory Saturday evening. Larry Roy, wearer of the semitools numerals, played "the" game of the night and accounted for 28 big points before he fouled out in the first overtime period.

Coach Joe Welch's charges took early possession of the scoring column, but the Leuzinger Gymnians plunked in enough margin at halftime to counters to garner a one-point.

See-sawing for many minutes in the last of the third quarter, Tartar might took forth and they were ahead 46-37 at the three-quarter buzzer.

Here the doing got tough.

Leuzinger's Joe Bailey dropped in the losing bucket to knot the score at 56-56 and sent the game into an overtime period.

Guy Farrington got a pass after the tip-off, dribbled down and put Torrance into a two-point lead. A foul gave Bill Crawford a shot—which he made.

In the meantime the Olympians countered with a basket by Ray Brown and a free shot and the scoreboard showed 57-57 as the three-minute extra period closed.

Blank Bojorquez was the first to tally in the second overtime frame and put the visitors into the lead. Then Warren Bennett, a reserve sent in to replace Larry Roy, personally, whizzed through the hoop.

Farrington was the guiding light in the waning minutes, tallying a free throw to tie up the game once again, and then put the game away with a beautiful two-point shot. The Tartars stalled for the remaining twenty seconds and then tore the gym apart celebrating their initial conquest.

In the Friday night affair powerful Santa Monica rolled over the locals 73-30 at the Vikings' home arena.

Farrington and Chick Cope were high-point men for Torrance in this fray, but high-scoring R. C. Owens stole the show with 19 tallies for Santa Monica. Owens was named to the Beverly Hills All-Tourney squad two weeks ago.

**The Tartars can't be expected to knock down Redondo tomorrow night, even with the aid of a miracle. No should they be too highly favored to push past Beverly Hills next Thursday in the Bay League windup.**

But, with a win showing on the scoring record, the Tartars will be inspired to put up a terrific battle against these more potent squads.

Coach Welch has been working with a renewed bunch of boys this past week and the rough edges may show signs of polish in the next two games.

Bee casaba men came close to Leuzinger with a 60-63 setback, but were not so fortunate in a 58-62 loss handed them by Santa Monica.

Divided into three groups, stock cars will compete in pre-war, post war and modified sections. Motorcycle competition is open to 30, 40, 50 and 80 cubic inch displacement classes.

## Ann White—and the Spirit of Service

Ann White could be the girl next door . . . or any of the thousands of capable young women who decide each year to make their first job a telephone job. Her first day was exciting, and a bit bewildering, as she began her training as an operator. But soon she gained confidence, learned to meet many situations with poise and skill. She began to feel the importance of getting every call through . . . the "spirit of service" shared by telephone people everywhere . . . the feeling which is perhaps the most important ingredient of good telephone service.

**One unforgettable day,** not long after she began handling real calls, a frightened little voice on Ann's line cried: "I'm lost. Could you find my Daddy for me?" Ann did, of course. Such things often happen in the telephone business, and often we receive grateful letters telling us about them. We like to hear these good reports about our operators, our installers, and others who meet our customers directly. For they tell us that you recognize the "spirit of service"... so much a part of day-to-day telephone work . . . so important in making your telephone ever more valuable to you.

Your telephone is one of today's best bargains

You can seldom put a price tag on a telephone call . . . for it may save a life, close a business deal, or it may be just routine. But it's good to know that, even in these days of high prices on most things, your telephone service remains one of today's best bargains.
