

Alice Deurloo Repeats Vows With AF Sgt.

A military wedding took place last week at First Congregational Church in Tucson, Ariz., when WAF Cpl. Alice Deurloo became the bride of Air Force Sgt. Earl B. Peters in an informal ceremony.

The bride, daughter of Mr. and Mrs. Raymond J. Deurloo of 2424 Park St., Welteria, chose an orchid colored afternoon dress with a navy blue veil and accessories for her nuptials. She carried a bouquet of white carnations.

WAF Cpl. Billie G. Cramer was the bride's single attendant. S/Sgt. Alvin Ammer served as best man and the double ring ceremony was read by Rev. George C. Vance.

Friends gathered in the Davis-Monthan Air Force Base NCO club following the nuptials to fetter the newlyweds. Both are assigned to the Davis-Monthan base where Mrs. Peters is attached to the 400th WAF Squadron.

WON'T YOU BE MY VALENTINE? . . . Candy and flowers express this age-old sentiment today as they have in years past for lovers of all ages. Never too young for the pangs of romance, the three-year-olds at Child Care Center (above, left), have already confused cupid's darts by providing a "puppy love" triangle. David Chambers of 2732 Martha St., (center), has presented a giant-sized lollipop to blonde Nora Venable of 438 224th St., Wilmington, much to the consternation of Donnie Crotty, 2336 Cabrillo Ave., left, below, Lou Ann Clevenger of 915 Amapola Ave., a Torrance High

student, wears the engagement ring of handsome Donald White of 21215 Avalon Blvd. Red roses are for her on this day of days, chosen from the array of blossoms at La Galeria Florist. "Going steady" is the whirling "in-between" stage of romance when two names, here those of Ted Marcoux, 2314 233rd St. and Ellen Kochin, 17110 Ardath Ave., are inseparably linked in whatever they do. Ted surprises Ellen with a heart-shaped box of candy in the arcade at Torrance High School. (Herald photos).

Antonio and Luisa Triana lead the company, which includes Juanita Moreno, Gilda Fontana, Ramon Mulero, guitarist Jeronimo Villarin and pianist Olegna Fuschl.

Woman's Club To Support Sister Kenny Auxiliary

A new item has been added to the list of philanthropic projects of the Torrance Senior Woman's Club.

Members of the club decided, at their luncheon meeting last Wednesday, to give \$50 to the Sister Elizabeth Kenny Auxiliary to the Ruth Home in El Monte. \$50 will also be given the March of Dimes.

Stimulating interest in the home was Mrs. Delbert J. Thomson's report on the executive board's recent visit there. Mrs. Thomson pointed out that the institution receives no direct aid from the National Infantile Paralysis Foundation.

Two forthcoming drives will also be supported by the Woman's Club, the Red Cross and the YMCA. Mrs. Don Hyde, chairman of the Torrance American Red Cross branch, and Mrs. B. Taylor Whitney, Woman's Club chairman of the Y drive, spoke to the assemblage.

Mrs. J. W. Post was chosen to head the club's nominating committee. Working with her on the new slate will be Mrs. John Keefer and Mrs. John Steinbaugh.

Members of the senior group and their husbands were bidden to the Junior Woman's Club's annual guest night, Feb. 27, by Mrs. C. E. Wallace, junior president. The evening's entertainment will feature the Lenin Barbershop Quartet.

Following luncheon several piano selections were played by the duo piano team of Mickey Van Deventer and Victoria Reno. Included on their program were "Granada," "Autumn Nocturne," "Jamaican Rumba" and "Malediction."

Troops are to bring their own table service in addition to contributing food. Miss Dorreen Pyle, council president, may be reached at Menlo 4-2728 for details.

On the evening's agenda is a discussion about the annual Juliette Low Gathering which will take place May 24 in Peck's Park.

POWER POINTER Kite flying is fun — when you play it safe!

Kite flying is great sport—and has been since days of ancient peoples. It is one of the few sports that has come down through the centuries virtually unchanged. The world has changed some, though—so these days there are some new rules to remember when you fly your kites. Play it safe, and follow the four rules:

1. Fly kites in an open field, away from electric power lines and other overhead obstructions.
2. Be sure the string is perfectly dry.
3. Never use wire, tincl or metallic string.
4. If the kite catches in a power line, let go immediately. Don't pull! Phone the company owning the line and a lineman will get your kite for you.
