Wet Track Nips THS Meet

Warm Up for El Monte Relays Slated for Friday

Torrance High's tracksters, who have great hopes of running in another track meet before the season rapidly grows to a close, met further disappointment this week when a "too-wet" track at Santa Monica resulted in a cancelled meet. The Tartars have run two meets, both in the rain; another was rained out altogether. Coach Vern Wolfe said that crew members will be working out this week for the El Monte relays with crossed fingers and tongue in cheek—a little skeptical that the clear days of Friday and yesterday will hold until next Friday afternoon. Prospects on the roll-call for the relays include Warren Bennett, Bob Carroll and Dan Mayor in the shot put; Buddy Powers, Larry Roy and Don Mann in the high jump, and Roy Burt Smith and Tom Mallard in the pole vault. Although the line-ups for many of the relay-running events are not complete, Wolfe probably will run Joe Lafferty, Don Kaslin, Wayne Mickels and Dick

Sentinels Edge Tartars In Bay League Opener

Torrance High dropped its initial tiff of the Bay League race Friday afternoon when they were nudged 6 to 5 by a hard-hitting Inglewood nine. The locals held off until the fourth frame when five big runs seemed to cinch the game. But the game Sentinels, who knocked two across in the third, drove in another counter in the sixth and went wild in the final frame, ringing up three runs. Inglewood, sparked by Al Herring's four hits in five trips, including three doubles, out-hit the Tartars 10 to 6. Charlie Camou held down the hurling chores for the locals in the first six rounds and relinquished the mound to Manuel Oloque in the last. Johnny Spillar was behind home plate. Camou fanned four of the Sentinel swatters, while the Sentinels' Ed Belme turned away nine Tartar hopefuls. Belme got credit for the win, Camou for the loss.

Snow Great, Bunnies Say

Snow conditions were reported excellent at all resorts yesterday, just in case you want to take a short jaunt to the mountains today. Roads were open yesterday at all resorts except Kratta Ridge, but snow bunnies who know say that it is probably passable today. Snow depths: BIG BEAR—90-150 inches; BLUE RIDGE—108 inches; GREEN VALLEY—120-168 inches; HOLIDAY HILL—90-130 inches; MT. BALDY—72-144 inches; MT. WATERMAN—120 inches; SNOW VALLEY—130-160 inches; IDYLL WILD—20-48 inches.

Football-Golf Tourney Plans Made at Alondra

The Second Annual Football-Golf Tournament for "all persons presently or formerly professionally connected with football" will be staged at Alondra Park on April 7, Alondra Country Club officials said this week. "All persons connected" includes coaches, assistant coaches, professional players, trainers, officials, graduate managers, team physicians, retired coaches, team outfitters, manufacturers and a whole slug of others. Golf entry classifications are for dubs, hackers, just golfers, scratch players, pros and liars. An entry fee of \$5 will be charged to include green fee, tournament fee and a dinner. Information and entry blanks can be obtained at the park clubhouse, 164th St. and Prairie Ave.

HOLD RECORD

The New York Yankees established the "most double plays" record with 10 doubles during the 1951 World Series.

CEE SQUAD KILLED IN BOYS' TOURNAY

Coach Dick Gresham's "C" basketball crew, playing under the sponsorship of the Torrance Recreation Department, was dumped, 66-17, in their opening

game with the San Pedro Boys Club in the Harbor Boys Basketball tourney last week. Skippy Smith was the high-point man for the local squad with eight counters. The defeat dropped them into the consolation bracket in the triple-round tournament. "In fairness to Coach Gresham, whose 12-13 year old team won the Torrance-Lomita championship this year, it should be said that his 'C' team is composed mostly of 'D' and 'E' players, hastily organized for this tourney play," Elmer "Red" Moon, city athletic director, stated. "The winners, San Pedro, have played 16 games as a unit and are a highly polished aggregation," Moon advised. Smith, local high scorer, was a "B" player thrown into the fray to equalize the squads. Jack Johnston stole the show with his ball-swinging ability.

SIDEWALKS ARE YOUR BIG PROBLEM IN TORRANCE

Many of our children are forced to walk in the street or in the mud — to go to and from school. They're fighting heavy trucks and today's high-speed traffic. Here is what I shall do: (1) Recommend to the City Engineering Department at a sidewalk survey be made immediately — in North Torrance, Central Torrance, Wateria, Seaside, Hollywood Riviera. (2) Follow through on the recommendations to give our kids a break. To give you a break. Here are three other ways we can make Torrance better FOR YOU. (1) Install traffic signals on Highway 101 at the entrance to Seaside and Hollywood Riviera. (2) Work with the Planning Commission to see that your home, your family, are protected against "unwanted" construction moving in on you. (3) Encourage new industry to move in, to provide jobs and security for our people. I shall recommend each of these ways to make Torrance better FOR YOU. More important, I shall continue to follow through. BOB HAGGARD Candidate for City Councilman
