### Briggs Family Greeted Again

Friends of Mr. and Mrs. Stanley Briggs gathered in their temporary home at 4622 Millie Court, Sepulveda Gardens, Saturday evening to fete the Briggses with a "welcome home" party and buffet supper.  
Mr. and Mrs. Briggs and their two daughters, Patty and Mary Beth, have returned to Torrance after making their home in Ontario for several years. They have purchased a home in Seaside Ranchos and will move there May 1.  
Briggs is employed in the personnel department of Northrop. He was in the flight test division in Ontario and will be with special weapons at the local plant.

### Top Designs Worn In Show

Brilliant original costumes by the top Italian and French designers were paraded about the pool at Portuguese Bend Club, Tuesday when the Women's Auxiliary of San Pedro Community Hospital presented its benefit fashion luncheon.  
Mrs. L. J. Ewing and Mrs. Ralph Jester were co-chairmen of the event, which will aid the auxiliary's current project, the Children's Benefit Building Fund.

Horticultural problems associated with this area were discussed by Charles Luger, El Camino College landscaping instructor, at the WALTERIA PTA meeting last Thursday at WALTERIA Elementary School.  
Luger pointed out types of plants which grow successfully in this climate and soil and described methods of arranging such plants for best effect. Care of other "problem plants" was also considered.

Mrs. Glen Hardecastle, PTA president, announced that reservations are being taken for the Torrance Council PTA breakfast May 14. WALTERIA PTA members who will be installed council officers during the meeting are Mrs. Evar Jansson, first vice president, and Mrs. Carl Cramer, historian.

### LARGER WARDROBES

At the turn of the century many more women had many more dresses because they could make them themselves on the sewing machine.
