

TARTARS TACKLE SEAHAWKS UNDER ARCS

Final Track Effort Near

Eight MAY 8, 1952

Enter Fresno Relays

Five El Camino trackmen will be entered in the annual Fresno relays Saturday in the famed Radcliffe Stadium, "where world marks are broken," according to track mentor, Alvin Schindler.

Tartars to Try Luck Under Park Lights

Torrance High School's hustling baseball crew has met with mighty poor success in day ball games, so they'll take to the dark tomorrow night to meet Redondo's Seahawks under the Torrance City Park lights. Starting time is 7:30.

Two Bee, Three Cee Tartars Enter Meet

With hopes of snagging a position among the top three performers, five Torrance High trackmen will go all out at the semi-finals for the Southern Section, CIF schools Saturday in always hot Carpinteria.

Southern Swim Championships Held at Camino

El Camino, 1952 Metro Swim Crown winner, was chosen as the host school for the Southern California Junior College Swim Championships which are under way at the El Segundo High School pool.

CEE POLE SKIMMER . . . Dennis Hester, Class C high-jumper, is one of five who will compete in the CIF Southern Section semi-finals Saturday at Carpinteria. Hester, who cleared 5 ft. 2 in. to qualify last week, is shown skimming the 5 ft. mark with lots of room to spare.

each by a tiny margin. The Redondo nine handed the Tartars a 2-3 setback in their first tangle and the Tartars have been stuttering along ever since.

With a record not much better than that held by the Tartars, Redondo may find that the terrible Torrance crew might not be a pushover. The locals are lustier, and if they keep up their swatting should blast out a victory.

Pitching for the Tartars will be Manuel O'Leary, unless Charlie Camou has sufficiently recovered from last week's drubbing to take the mound. Manuel was blasted out of the box by Inglewood and was replaced by Larry Roy after the fourth frame.

Coach Dick Leech might start Manuel, then switch to Camou after the game gets under way.

Heavy hickory man last week hurler Camou who blasted two for two. He also talked one of the six runs recorded for Torrance. Fielder Burt Smith, who held the top batting average spot for many weeks, slipped down the ladder after the last two games. He got none for four against the Sentinels.

On the mound for the Seahawks probably will be Joe Watt, who with his fellow hurler Richie Hatanano gave up 12 big swats in a tiff last weekend.

Grammar School Relays on Tap Saturday at THS

More than 125 young track enthusiasts are expected to compete in the annual Optimist Club-sponsored Grammar School relays which will be run Saturday morning at the Torrance High School two weeks ago because of foul weather, but hopes are high for sunshine on Saturday.

Contingents from nearly every school in Torrance will be on hand to compete in one or more of the numerous events. Ribbons will be awarded by the Optimist Club to winners in the events.

Coach Cliff Graybehl, head Torrance High football mentor and head of the club's boy's work committee, holds the reins for the Saturday festivities.

Three entrants in each event from each school are permitted, and each boy is limited to participate in two events.

Gridders Out For Spring Prep Session

Working out sans the use of shoulder pads, body pads and football uniforms, 25 Torrance grid prospects have been going through spring practice workouts under the guidance of varsity pigskin mentor Cliff Graybehl.

More hopefuls will be on hand as soon as track and baseball seasons officially come to a halt in several weeks.

Graybehl's squad, which appears to be fairly beefy, is out daily pounding the blocking bags and taking a half-hour of tough exercise work to loosen tight muscles.

Ted Marcoux, stellar utility man from last year's Tartar squad, was named 1952 captain and has been sparking the crew through their daily paces.

Niteball Sked Changes Okayed

A schedule change in the National Niteball League play by Torrance's entrant, Dow Chemical, was announced this week by the City Recreation Department.

A game between Bellflower and Torrance slated for play under the local arcs on Tuesday May 20 has been altered—and Torrance will play at Bellflower. A week later, however, the Bellflower-Torrance second tiff will take place on the Torrance city diamond.

This second game was scheduled for play at Bellflower.

Approves Motion To Annex Area

A resolution giving a final okay to acceptance of a (pending) asking annexation of Keystone and the Dominguez area to the West Basin Water District was passed Monday by district directors.

The action came as a windup to a public hearing on the proposal to take the area into the water basin district held in Hermosa Beach water offices. No opposition to annexation was offered at the meeting.

J. C. Caldwell, chairman of the fact-finding water committee, said that the West Basin resolution will now be sent to Metropolitan Water District, for action at a May 13 meeting.

Caldwell represented the Keystone-Dominguez residents before the board of directors.
