The Scout-O-Rama to be held at the Shrine Auditorium June 6 and 7 has sent the various troops of Cubs and Boy Scouts out selling tickets. Troops 761C and 761 will have booths displaying a tin-can craft by the Boy Scouts and gift craft by the Cubs. The recent paper drive conducted by the Cubs was a huge success if quantity means anything. Thirteen tons were bundled and tied and, according to Walt Bronson, Cubmaster, the sides of the garage were bulging.

A recent organization, the Battalion, sponsored by many organizations in Torrance for the purpose of getting the people out to vote, has as its transportation chairman Burt Johnson. He will provide both transportation and baby sitters for the voter unable to obtain either or both of these items. Volunteers are needed with cars, and also people with time to care for children. The June primary election is near and the School Board election is this month. If you can assist in this project call Burt at Monro 4-8526. Burt has some "I'm Voting" buttons he's passing around to spur interest in this endeavor.

way were really glamorous if only for a day. Connie Gastelum gave a cosmetic party and all the ladies up and down the street went to see just what was needed to make them look more like Liz or Lana. The works were given the willing models and the results are not bad. I here. At least many a husband faced a very elegant Mrs. that evening!

First graders with their lunches clutched tightly in their hands boarded the school bus last Thursday and spent the day at Griffith Park Zoo. Quite an outing for these wide-eyed youngsters of North Torrance Elementary.

Mr. and Mrs. James Russell, 4319 W. 179 St., are two very happy people this week for Junior arrived at Torrance Memorial Hospital weighing in at seven pounds, five ounces! Little Jimmie is doing fine and we congratulate the Russells most heartily.

Corise Ave., the most party minded street in these here parts, has done it again! The Thomas Fannanos of 1730 Corise Ave. had a neighborhood party and all along the street turned out! A very gay time was reported as always. Not to be outdone, the Michael Corderos gave a badminton party, but the crowd grew so big a game of volleyball proved popular. The gang was served sandwiches and coffee, and a very nice time was had by all who gathered.

**Police Ask Aid In Capturing Young Molestor**

Citizens were asked by the Torrance Police Department to keep careful watch for a man who has accosted two Hollywood Riviera-Seaside young women residents during the past several days.

Described as 5 feet, 10 inches tall and wearing a sport coat, the young male suspect first approached a Hollywood Riviera woman as she got out of her car to go into the house. Saying nothing, the molestor approached, exposing himself, police were told.

A similar incident occurred the next night in the Seaside Ranch area. The suspect is believed to be driving a green car.

New pets at the homes of the Johnsons, Bronsons, and Calvey met a horse peacefully

Fagnanos. Nice little fluffy puppies, but just wait a few months (if these shepherds and springers get started growing! Could that be the reason for the new fences now seen at those residences?

You've heard about Mary who had a little lamb? Well, this is a new angle. Seems Barbara

Barbara is only 14, she took the horse by the broken rope and led him back to his owner some blocks away. Proves the grass is always greener or stimpun'.

Happy birthday to Kenny McKenzie, 4332 179 St., who is

Everyone is glad to see little Billie Mack of 17102 Glenburn Ave. out playing after his awful case of measles. Seems all the color books and comic books in town didn't help them go away a minute faster.

Well, May Day has gone, and noticed up and down the

street many little boys and girls from Betty Brewer, and delivered by little Ken. This old custom marking the arrival of Spring and honoring the Goddess of the flowers, Floralia, should not go out of practice. It probably has a feeling of good-will and a little note saying: "especially for you." This was in this day and age.
