

Immortality Sunday Topic

The significance of man's existence in spirit in contrast with the illusion that he lives in a mortal body will be stressed in the Sunday lesson-sermon on "Mortals and Immortals" in all Christian Science churches.

The golden text from Romans (8:9) reads, "They that are in the flesh cannot please God. But ye are not in the flesh, but in the spirit, if so be, that the Spirit of God dwell in you."

In Paul's first epistle to the Corinthians (15:58) he counsels, "My beloved brethren, be ye steadfast, unmovable, always abounding in the work of the Lord, forasmuch as ye know that your labour is not in vain in the Lord."

Taxpayers—YOUR COLLEGE NEEDS HELP!

Won't you help us pay as we grow? You can assure the continued expansion of your community college by going to the polls on Friday, May 16, and voting YES to keep the special building tax for another five years. With this money, El Camino College will continue to grow, as it must, and yet remain DEBT-FREE.

We are NOT asking you to vote for a tax increase. Actually, your taxes will be five cents LESS than they are now, but any SPECIAL tax MUST be approved by the voters. The special tax approved by you in 1947 has provided the excellent buildings we now have, but it expires this year.

We ask you to again approve the special building tax—20¢ per \$100 this time, instead of the present 25¢—in order that our pay-as-you-go building program can be continued until 1957. If you are an average taxpayer and home-owner, you can pay your share of this undertaking with LESS THAN TWO CENTS A DAY—pennies for your tuition-free community college.
