

### Carson Board To Take Office Today

Mrs. Alfred Barkan will be installed as president of Carson St. PTA when the unit meets this afternoon at 2:30 o'clock at the school. She will succeed Mrs. Jack Spence. Other officers on the 1952-1953 slate will also be induct-

ed during the meeting by Mrs. A. Sault, past president of the PTA unit. The meaning and implications of the bond issue which will be on the ballot in the forthcoming June election will be explained by a speaker on the program. Refreshments will be served and a baby sitter provided.

Plans for installation of new officers were made during the executive board meeting of Carson St. PTA Friday afternoon

at the school. Mrs. James Campbell presided over the business session when members agreed to set up a car pool to enable area residents to go to the polls June 3. Persons wishing to lend assistance to the project may volunteer with Mrs. Charles Linn, Terminal 4-8864. Members voted to purchase a radio and record player for Carson St. School, thus completing their year's objective of a radio in each classroom. Following the business ses-

ion, a pot-luck luncheon was served and the board feted Mrs. Nedra Butler, school nurse, with a stork shower. Tables were decorated in pink, blue and white, and favors were shaped like rattles, booties and cradles. Special guests during the luncheon were Allan C. Wallace, husband of the Carson St. School principal; Mrs. C. Connolly, who is taking Mrs. Butler's place as school nurse, and Mrs. Ruth Pipkin. Mrs. Clarence Wittenberg was in charge of decorations for the party.
