A 15-year old girl was apprehended while allegedly shoplifting from the J. J. Newberry store by Asst. Mgr. George Polish and turned over to Torrance police, Monday.

First Crime Try Ends In Bitter Failure Here

Crime doesn't pay—this said, and two Lomita juveniles probably are willing to agree. The lads, ages 13 and 16, newcomers to the crime field, slipped up on their first try, sheriff's deputies report.

Milton Lockett, manager of the Lomita Theater, told officers that 19 tickets to the movie house had been stolen. Later he called them to say that he had the culprits in hand.

This has been a happy week... all the news is on the joyous side. That is the kind that we like to report... weddings, home-comings and parties... fun and more fun.

May we start by wishing the very best of our best wishes for a long and happy life together to the newly married Mr. and Mrs. Ted White, who were married a week ago last Sunday in the First Baptist Church of Torrance. The new Mrs. White is the former Shettle Moore of Torrance, and Ted is the son of Mr. and Mrs. Norman Radi, 2032 Middlebrook Rd. Ted's little sister, Sharon Radi, was thrilled and excited at being the flower-girl. After a very lovely reception the newly-weds left for a honeymoon at Moreno Lake. Again, our best wishes and congratulations, kids.

Floating on a rosy pink cloud of happiness these days are Mr. and Mrs. Ewaldt, more commonly known as Betty and Don. Seaman Ewaldt got home for a two weeks leave a week ago last Monday, after nearly 10 months of duty in the Far East. Time has gone much too fast, but it's been a happy time for Don hasn't seen his son and heir since he was two weeks old, and it's been so much fun getting acquainted with him. Don reports for duty next Sunday in San Francisco. In the meantime, they are staying with Betty's folks, Jack and Polly Fuller, on Reynosa Dr. where Betty makes her home while Don is gone. Hope it's not as long before the next leave.

Another homecoming of a different sort, but just as joyous, was that of Tracey Dale who has been in the hospital with a heart attack. He came home last week, and though he still has to be very quiet and flat on his back, he is improving and can now receive visitors. His family tell me that friends and neighbors have been wonderful in their help and concern, and it's helped keep up Tracey's spirits such a lot that they are indeed great. Keep getting better Tracey, and we'll soon see you up and around again.

A former Kettlerite just returned from his tour of duty overseas is M/Sgt. Jack Berry who used to live on Kathy Way. He is the brother of Mrs. Betty Johnson, who lives here in Kettler Knolls. Last Sunday the family had a get-together at the home of their mother, Mrs. D. V. Gassaway, in Harbor City.

with Jack as the guest of honor. M/Sgt. Berry leaves sometime this week for Cherry Point, N. C. where he is to be stationed. He and his wife and children are driving back there, hoping to stop at points of interest along the way. Hope you have a nice trip folks.

Speaking of servicemen reminds me, have you called Torrance 3447 or 3448 to make your appointment for donating your blood to the Red Cross? If you haven't, better do it right now. Admiral Chester Nimitz made a nice suggestion in the last issue of the Reader's Digest. He said, "Let's all have a blood relation in Korea." That's a good idea, so why not? We have several of our girls working on the Blood Recruitment Committee. Thanks for this work should go to Mmes. Carmen Neilson, Rose Schaefer, Camilla Helphand and Virginia Jones. Our lone canteen worker from here is Mrs. Millie West, who every day is very busy in the kitchen that day. Blood recruitment will be in the Civic Auditorium next Monday, June 2, from 2:30 to 7:30 p.m.

Those who went to the PTA meeting at Torrance Elementary last Thursday were entertained by a very lovely fashion show put on by the lovely grade girls, showing the clothes that they themselves had made. Among those who modeled the attractive outfits were Lenore Sexton, Sharon Stewart, Judy Cook, Beverly Oakes, Geraldine Rusk, and Karen Hester. You did a beautiful job, girls, and we are so proud of you. Also at that meeting, the new officers for the coming year were installed, with our own Sally Eckersley going in as treasurer, and Margaret Beavers as Corresponding secretary. Congratulations and good luck!

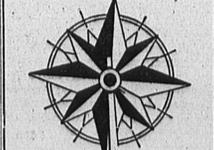

Billy Wassenberg, 2105 Middlebrook Rd., has turned six, and to help him celebrate, a group of neighborhood children gathered at his house to wish him a "Happy Birthday" and present him with little mementos of the day. The afternoon was spent playing games, and finished off with the serving of cup cakes and ice cream. Balloons of all colors were the favors and prizes were awarded the winners of the games. Showing what fine big boys they were, Ronnie and Donald Watson helped serve refreshments. Billy is the son of Mrs. Miriam Wassenberg and the grandson of Mrs. Alberta Winnek. Many many more happy birthdays, Billy.

Versatile is the word for Connie Benner, daughter of Mr. and Mrs. W. E. Benner of Schilling Dr. She has been chosen a member of the Los Angeles Senior Girl Scouts Board, from the Harbor Section Junior-Senior Council. She is a member of Troop 1161, sponsored by the Business and Professional Women's Club. She and her mother, Mrs. Willa Benner, were among the ones who went to the Beverly Hills estate of Mrs. Harvey Mudd for the Senior Scout Play.

day last Saturday. Mrs. Benner went along as one of the chaperones.

Getting together with your fellow workers for a purely social evening is so much fun. At least the ones who work together at Paramount Supply think so, so Lois and Jack Phillips on Reynosa Dr. played host to the "bunch" for a hamburger fry in their patio last Sunday evening. Those present were Mr. and Mrs. Tom Ward, Mr. and Mrs. Douglas Horlander, and Mr. and Mrs. Douglas Schnorr.

Sure signs of spring: The Fees on Reynosa just got a new patio, the Poolers and Aarupes are painting, the Sousas and Richies are expanding their houses, and the women are digging and working in yards in their shorts and halters, trying to out-tan the others.

"I'm in a dancing mood" seemed to be how the Winklebawers on Martha St. felt last Saturday night, for they were one of the couples that played host and hostess to the Los Pleistadores. Dance Club when they held their semi-formal dinner dance and installation at Portuguese Bend Club.

Best wishes to Louis and Mary Richie who celebrated their wedding anniversary last Sunday. Hope it was a very special day.

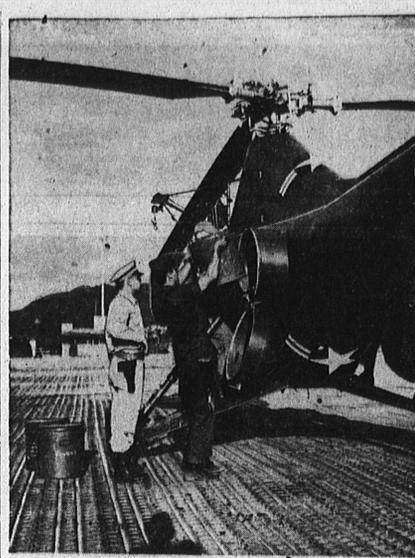

Was talking to Mrs. Anna Scruggs who lives on Santa Fe St. the other night and they have certainly had a busy month. First she, her husband, Wesley, and son, George, went to Wellington, Tex. for a little over a week to visit relatives and friends. Upon their return home they were kept busy getting Wesley ready to go to Arabia where his employment has taken him for an indefinite period. (If he is to be there for long she and George will join him). He flew by way of New York, the Azores, and Paris, where he got to stay overnight and see a few of the sights, then on to Lebanon where he will go on to Arabia. Doesn't that sound exciting.

We sure hope that Walt West came through with flying colors on the exam he took last Tuesday. He is one of the hopefuls for the position of Captain in the Fire Dept. Lots of luck Walt, we're plugging for ya.

Speaking of Joneses, I heard that the Corwin Joneses on Falcona St. are back from their vacation in Iowa. Corwin, Geraldine, Janice and Jerry got back a week ago last Sunday and reports are that they had a very nice time visiting relatives and friends back there. It's nice to go away on vacations, but it's nice to come home too... huh?

GeGe Johnson, who is a senior at Torrance High and lives on Huber St., spent the day with a coach at El Camino College last Tuesday. It was part of a program sponsored by the High School and the Torrance Service Clubs to give the seniors a chance to see first hand what the field of their choice is like at the end of their preparation for it. In this way GeGe got some advance experience and confirmed his desire to become a coach. He enters SC next fall on a scholarship.

Did you know that we have two members of the graduating class from El Camino College living here in Kettler Knolls? Well we have, and I'd like to congratulate Phyllis Shearer of Gramercy St. and Robert Pooler of Huber St. on the completion

EMERGENCY FLIGHTS... Flying whole blood and blood derivatives to the Korean battlefields has been speeded up by the use of helicopters. of their studies. They will graduate in exercises to be held Friday evening, June 13, in the college stadium at El Camino College.

Getting a taste of the more or less primitive way of life, I spent last Friday and part of Saturday at an overnight camp with a group of Girl Scout leaders, trying to put into practice the things that we were supposed to have learned in classes. We had a perfectly wonderful time; came home relaxed and refreshed, well, a little anything from not having the off-spring demanding attention every minute, a little sunburned, and wondering how many pounds that outdoor appetite put on. Sure was good to get home though, and I'll bet a bath was never more appreciated.
