A Salute to the

GRADUATES OF 1952

Good wishes to the Class of '52. May this graduation prove to be the starting point of happy and successful careers for all of you.

REMEMBER:

Reputation—is what people say about you.
 Character—is what people know about you.

You can't order character over the telephone—for it is not on the market . . . It can't be bought but it is the most important single thing you own!
