

# Kettler Kapers

By TEO CUNNINGHAM, Lomita 232-J

Well, kids, tonight is the big night... Excited? Bet you are, and who wouldn't be, for graduation, whether from eighth grade, high school or college, is something that you've worked hard towards, and now here it is. Torrance High has quite a large class graduating this year, and among this year's seniors are GeGe Johnson, Joanne Boss, Jack Fees, Danna Fuller, Art Sues Jr. and Sylvia Martinez, to name a few from the Knolls here. No matter what the plans are for the future, college or a job, congratulations and lots of luck for the years to come.

A great big "Welcome Home" to ex-Sgt. First Class Rano Sullivan, son of Mr. and Mrs. Aaron Sullivan of 1771 Calamar St., who has returned to his own hearthside after 14 months of active duty in Korea with the 578th Engineering Division. His ship arrived in San Francisco a week ago last Saturday and after the red tape of processing he is now a civilian and back with his wife, Carolyn. They make their home at 2267 Maricopa. Also pleased with his return is small brother Billy.

Leaving last Saturday night for a two-month tour of duty aboard the repair ship SS Laertes AR-20, was Walt West of Reynosa Dr. He will be in Pearl Harbor for five days, then he goes on to Sasebo, Japan, where he will spend the rest of the time. Hope the next two months won't drag too much Miller, and we'll be counting them off with you.

A belated birthday greeting to E. R. Sands Sr., of Cabrillo Ave., who had a birthday last Monday, also to GeGe Johnson of Huber Ave., whose natal day was last Thursday.

A typical teenage party was the surprise party honoring Ed Powell on his 16th birthday last Saturday night. Taken completely by surprise, he was greeted by classmates and friends at the home of Marilyn Edwards on Plaza del Amo. She was co-hostess with Carol Manning who just resides on Reynosa Dr., for the evening of dancing to records, topped off with birthday cake and punch. May we add our "Happy Birthday" too?

We sure were sorry to hear about the accident of the Elliott girls on Santa Fe St. Delpha has a few black and blue marks yet, and her sister Dene is still in the hospital with her hip fractured. How about sending her a card to help cheer her up? It's pretty hard for an active 16-year-old to have to lie so still, and it would help such a lot to know that her friends are thinking about her and wishing her a speedy recovery. She's at Torrance Memorial Hospital in Room 10.

A really busy person last week was Mrs. Wilma Brown of Reynosa Dr. She had company, Mr. and Mrs. Glea Billings from Nyssa, Ore. for three days, then she herself left for a three-week vacation in Fruitland, Idaho, and Montana, visiting relatives and friends. While up that way she is going to pay a visit to Glacier National Park. Hope she has a wonderful trip and will

have lots to tell us when she gets back.

The Bill Johnsons of Huber Ave. manage to keep pretty busy, too. Besides getting ready for GeGe's graduation, they went to San Diego over the Memorial Day week-end to visit Nadine's mother, Mrs. J. B. Walsh. While they were so close they took a short jaunt south of the border to Tijuana. Then Nadine recently hosted a very enjoyable evening party when well-known household products were demonstrated. Those attending this informative as well as entertaining event were Mesdames Ida Earl, Shirley Moraine, Ruth Pooler, Peggy Eggleston, Kay Demott, Irene Hoy, Phyllis Herin, Angie Lisoni and Vera Isoglio.

Have you folks who live in the 1700 block of Santa Fe been wondering who your new neighbors at 1767 are? Well, they are a very charming family by the name of Anderson. There is Milo, who works for Union Oil; Virginia, who works for Columbia Steel but who is now enjoying an enforced vacation due to the strike, and children Betty who is 13 years old, and Bob who is 8. They have lived in Torrance about 15 years, so are "Old Timers" by now. Welcome to the Knolls, Anderson family, and we hope you will enjoy living among us.

Here and There: The Crawfords and the Hoppers picnicked in Long Beach last Sunday... The Ferguson of Palena Ave. took the high school age bunch of the Torrance First Baptist Church to Laguna Beach for the day Memorial Day... Floyd and Betty Wentz had a wedding anniversary the sixth of this month, so belated greetings... Heard that Goody Fischer won a prize at the City Employees picnic... The Johnstons on Middlebrook Rd. had a pot-luck dinner before they adjourned to the Jaycee dance last week.

When you want to start griping about the cost of haircuts, just stop to think about the price of them in Alaska... My mom writes that they have just been raised to \$2.50, so I guess they feel the high cost of living, too, at least that was the reason given for the jump up. I think that I would be tempted to become a long-hair, if I lived there and wore a mal, or would let my "pardner" put a bowl over my head and hack away.

## Revival Series to Run Until June 22 Here

Continuing nightly until June 22 is a series of evangelistic meetings at the North Torrance Baptist Mission, 18251 Crenshaw Blvd., it was announced yesterday. The meetings, featuring Dale Aycock as the evangelist, are being sponsored by the Narbonne Baptist Church. C. A. Harner is the song leader and the Narbonne Baptist Choir is furnishing special music for the services. The meetings begin each evening at 8 o'clock.

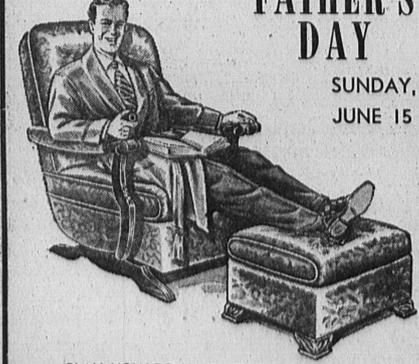

## FIRST GOVERNOR

First governor of Indiana Territory was William Henry Harrison.
