Yes, Joe really fixed this one up for his two boys. It has built in toy boxes, blackboard bulletin board and a huge patio and a \$1000 barbecue. Protection, security and recreation is assured here for the youngsters. This 2 bedroom home is small, but so is the down payment and the full price is only \$8,500.

YOUR WAITING IS OVER! You will be ready to buy when you see this home on a corner lot near the Torrance Park. It's not new and it's not an "oldie," it has been lived in just enough to be polished like Pope's favorite pipe and Mom's rocking chair. The bedrooms are all large with plenty of closet space and the all the kitchen has plenty of eating area for a large family. The high wall around the yard assures you of plenty of privacy when you use the well designed patio and barbecue. This home is well priced at \$11,500, \$3,000 down. Don't just think about it, if the down payment is a problem for you let us help solve it today.

I LIKE IT Jerry Lewis is not the only one that uses this phrase. You will find that 90% of the wives who live in Torrance Gardens say the same thing when asked what they think of their home, and you'll say it too when you see this 2 bedroom. We have just listed it. It has a dishwasher, garbage disposal and many features you will admire. \$2,500 will move you in and only \$51.00 per month on the balance at 4 1/2%. Don't just think about it, give us a ring. We will be only too glad to show it to you.

I HATE WOMEN! So consequently I'll never get married, and being a confirmed bachelor I have no need for my 2 bedroom home. My wife went East to get a new apartment. Hardwood floors, garbage disposal, lots of tile and a 4 1/2 G.I. Loan. I've told my agent he could take as low as \$10,000. Call him today. P. S.—Give a lady women only when they are out of sight.
