Weary but very happy, the J. B. Mosley family of Ward St. returned Sunday evening, July 6, after a week's trip to San Francisco. Also enjoying a vacation trip for two weeks are the Ray Coopers of Danaha St. who are taking a trip through Montana. The Nathan Gordons of Pacific Coast Highway are back from their trip and their smiling faces are again visible in the usual places in their market. A short camping trip was the order for the fourth of July weekend.

We have had a tragedy at our home, and I hope that some of you will be able to help us out. It seems our siamese kitten has wandered off, and since we were attached to her as you do become attached to pets, her going has left quite a vacancy. We would appreciate it, especially our three-year-old, if some-

one could tell us where she is. She is a brown and whitish-tan siamese known as the "seal point" and answers to the name "Sheba" when in the right mood.

Well, folks, here we are over another big holiday week-end and settling down once more to the business of everyday living. I hope that some of the rest of you enjoyed the beautiful fireworks display at Portuguese Bend as my husband and I did. It was well worth wading home in the traffic afterward, slow though the wading might be.

A very merry time was had by a group of neighborhood youngsters when Paul Kettering of Neece Ave. celebrated his seventh birthday on Tuesday, June 24. The party was held in the patio of the Kettering home and was climaxed by the refreshments of cake and ice cream.

Ah yes, the ever present measles are claiming more victims in our younger set. The latest to break out in the red rash are Michael and Maureen Langum of Newton St. and Timmy and Trudy Fitzpatrick of Danaha St. Seems both families were blessed with the "double feature."

Mr. and Mrs. Gordon Batzell and children visited the R. M. Harrison's of Las Cadona Ave. on Sunday, June 22. Reason for the gathering was the celebration of Mr. Batzell's birthday. May we take this opportunity to wish him many more.

Ladies of Circle No. 1 enjoyed a pleasant meeting when they journeyed to the home of Mrs. Thomas Kirk in Long Beach

last Monday, July 7. After a busy business meeting, they finished off the evening with refreshments and then journeyed home again. By the way, the ladies of both this circle and circle No. 2 are planning on a bake sale for this Saturday, so get your sweet tooth primed and come down to the sale of goodies. The sale will be in front of the Post Office and Gordon's Market.

"Going once, going twice, sold to the woman in the corner" could be heard last Tuesday, when Circle 2 held its monthly meeting and a white elephant auction. Particular hilarity reigned when one of the women even bought an item she had brought to the meeting with her. That goes to show what a persuasive auctioneer Bea Monaghan, Danaha St., can be. Meeting was held at the home of Mrs. Ina Lou Milgate, Newton St. Those joining in the fun were Clara Williams, Marie Cunningham, Joyce Peers, Maeve Allen, Carol McFarland, Betty Mitchell, Jo Mills, Lucille Howey, Bea Monaghan, and guests Melba Burgen, Margaret Tinkle, and Mrs. Jack Daniels, and Mrs. Ernest Robinson. Several others joined in spirit by sending lovely gifts. The decorations centered around

whipped cream and strawberries and coffee. The Tom Fitzpatrick family returned from a short vacation outing last Thursday evening loaded with boysenberries and cherries. From all reports they had a great time swimming, horse-back riding, etc. They were accompanied by Tom's mother.

Our sincerest sympathy is offered to the family of Mr. Charles Winters, Neece St., upon his passing away last week.

The William C. Coreys, formerly of Hawthorne Blvd., made a flying trip to visit friends here in Walteria last week. The Coreys have recently moved to San Diego.

A lovely shower in honor of a "Coming Event" was given last Friday, at the home of Mrs. Lyle Johnson, Winlock Dr. Co-hostess for the party was Mrs. Rex Guthrie. The shower was given in honor of Mrs. William Heber. Those attending were Mrs. Bruce Howey, Mrs. Coy Truquhart, Mrs. Elsworth Praun, Mrs. A. E. Powell, Mrs. Robert Waegner, Mrs. A. Krumm, Mrs. Jack Daniels, and Mrs. Ernest Robinson. Several others joined in spirit by sending lovely gifts. The decorations centered around

a bassinet in which the gifts were deposited, while the cake was decorated with flowers and a bassinet. Small pastel nut-cups and diaper-shaped corsages were given to each guest. Altogether it was a lovely party.

We see Mrs. Chester Hopkins of Park St. has recovered after a brief illness, and that Al Freels, Danaha St., is home from the hospital, although he still has to take it easy. Glad to see you healthy again, folks.

The Pandora Club had its monthly meeting at the park on June 26. The meeting was a pot-luck affair attended by a dozen women who are energetically making plans for a busy year. Their next meeting will be held

in the Recreation Hall July 24.

The Cub Scouts of Walteria held a highly successful picnic at the park last Sunday. What with lots of contests, races, etc. and plenty of "cats," the boys attending thoroughly enjoyed themselves.

Home from a fine trip are Mr. and Mrs. Chuck Dansi and son, of Danaha St. who have been on a two week trip to Minnesota where they visited with Mrs. Dansi's parents, Mr. and Mrs. John Yeaman. The Yeamans visited here with the Dansis two weeks before the Dansis left and both families traveled back east together.

QUOTE 'N VEST
By Jack Treskes

I saw an Ad in a jeweler's window recently that said: "Diamond necklaces, \$35,000—3 for \$100,000."

Now there's a real gift—just about as nice as one of Treskes sport shirts.

I wouldn't say that these shirts will bring \$100,000 or even \$35,000. They'll surely bring appreciative smiles from the lucky recipient though—because you thought enough to give the best. Remember, if you want him to look better, better look in **TRESKES Men's Wear**, 1319 El Prado, (between Newberry's and McCown Drug Store).

DEPRESSIONS ELIMINATED IN TORRANCE

A positive cure for depression was suggested today and proven by a man from this city. The man in question, Sam Van Wagner, pointed out that he had been overcoming depression for years and there are many people who will attest to his methods.

The depressions that are referred to, of course, are those depressions you may find in your overstuffed furniture. The method of overcoming said depressions is through modern upholstery as done by Van's Mattress & Upholstery Company, 2083 Torrance Blvd., owner—Sam Van Wagner. During a lighter moment, Van has been quoted as follows: "If your overstuffed is under-stuffed and needs overstuffing by an over-stuffer call us over." Our stuff is—that is, our phone is Tor. 1194. It's an ad.
