### New Fall Class in Upholstery Offered by ECC

In keeping with its policy of making available to its district new courses as the demand arises, El Camino College will add upholstery to its curricula this fall.

Both day and evening classes have been scheduled. Day classes will be offered to young men desiring pre-employment training in upholstering and evening trade extension classes will be held to increase the skill and earning power of those already engaged in the industry.

SUMNER POWER To Teach Upholstery

To instruct these classes the college has selected Sumner Power, a journeyman upholsterer with a background of over 20 years of both factory and custom shop upholstering, six years of which he was supervising instructor of upholstery at West Coast University. Many of his former students are employed as journeymen upholsterers, or are conducting their own upholstery business today.

Registration for classes in upholstery at El Camino will begin September 15, 1952. Schedules will be available after August 15. Vocational counselors are available to assist those interested in this course.

This decision was reached after an extensive survey of the job opportunities in this field revealed that Los Angeles is now second in furniture production in the United States, and many jobs at good wages are now being offered to trained men in this trade.

SUNDAY CONCERT Sit in Your Car and Enjoy Our Sunday Free Concerts from 2:30 until 4:00 P.M. HOME OF THE WORLD'S HIGHEST OUTDOOR PIPE ORGAN Roosevelt Memorial Park Century Between Vermont and Normandie at 182nd St.

### QUOTE 'N VEST

By Jack Treskes

Did you hear about the fellow who asked for a raise and his boss gave him a yeast cake?

That's like asking for a TRESKES suit and getting an ordinary one.

Someone once said that the high styling and flattering lines of a TRESKES suit covers a multitude of sins. If there's any part of you that you would prefer deleted, you'll be delighted with the deleting of a tailor made suit bought at TRESKES MEN'S WEAR, 1319 El Prado (between Newberys and McCown Drug).
