

NORTH TORRANCE TATTLER

By MRS. HELENE ALLISON
MEMO 4-2330

Until this week I was under the impression that "heat" was something to keep you warm, cook your food, and cause all the gals up and down the streets to don those very pretty shorts and halters we've seen so much of lately. Lyn Hale wore a very striking pair of shorts one day this week that were blue with huge white polka-dots! But I am informed by a very energetic group of eleven-year old youngsters that "heat" can also apply to racing! In this particular instance soap-box

ing Cars Jimmy Snell, Cerise Ave. sponsored by Rush Chevrolet brought home a trophy. Elmont Eastcott of 175th and Tommy Alexander of 179th won medals. Tommy was sponsored by Daniels Cafe. Competition was keen according to the boys with some 13 or 14 hundred entering! Plans for next year however are already in the making. So there wasn't a winner in this section but 1953 is another year and everyone is proud of the accomplishments already achieved so better luck next time. Congratulations for the honors won.

Loren and June Mack and little Billy of 17102 Glenburn Ave. have really been seeing the sights that tourists usually see while visiting here. A two-day trip to Mexico was a treat to them this past week and last

up another year of dreaming about those glorious two weeks of vacation!
