### Thursday Eve Clash To Break Deadlock

All you can go on is comparative scores and that isn't always too accurate, but here's two-bits to your old pivot tooth that Thursday night's Waleria-Harvey girls softball game will be a hum-dinger.

With both squads deadlocked at 6 wins and no losses, and each having tallied some fabulous scores, it's a sure fire bet that it'll be a real clash. The fray will be held at Lomita Park, starting at 7 p.m.

In games last week, the Rookies eked out another win, their second, when they dumped the Rebels 15-3 at Waleria Park. Nine runs in the sixth inning—off two hits—gave the Rookies a big boost, although they were ahead from the fourth.

**Coeds Drop Another**  
Lomita turned away the local Coeds 14-0 in a second fray at Waleria, with the Coeds getting only two bingles for the entire night's efforts. Adrienne Sidwell socked a single in the third, and Lila Cordray got a top in the final fifth.

For the winners, a pair of runs in the first two frames, and five each in the last two were their big try—all this on a pair of hits—by Patsy Smith and Jane Gately.

Those powerful Waleria lassies swatted the Pueblo gals 16-2 Thursday night, going wild in the last fifth frame to chalk up seven counters. Pueblo's Rachel Alvarez and Dora Viveros—the battery—tallied the lone points for the losers.

For the winners, Terry Rogers and Shirley Parrish won high point honors with three each.

**Harvey Wins**  
Tied for first place, Harvey put on a demonstration of what it can offer when it rocked the Allen's misses 20-2, in a second contest Thursday. Betty Ellsworth scored four times, with Lois Roberts, Daisy Sampson, and Eileen Mohr each getting credit for three.

Marilyn Edwards and Billie Holloman tallied for the losers. The Waleria-Harvey clash probably will see Rose Butcher pitted against Betty Bynum in the starting chucker spots, both gals top-notch pitchers.

## NAT'L SUPPLY EKES VICTORY OVER AMROCO

National Supply squeezed out a 5-4 victory over Amroco in an A League clash this week, with sharp snagging by the infielders giving the Supply boys the chance to keep the win.

Chucker Charlie Camou, for Amroco, was letting 'em hit, and was mighty costly, eight hits and five runs, though two of the trips to base were not on bingles.

Nicest clout of the evening was a two-bagger by Jack Kinsey, which drove home Bill Moore for the winners in the top of the third.

Popping out all over in the fourth, when Amroco crowded the bases with none away, A. Milam swatted a single to drive on a pair of counters, and a pop-up to the first baseman ended the scare, however.

Harvey Machine won 10-8 over the B League Longren Aeros in an exhibition tilt Thursday night. The Aeros jumped into the thick of it by running up a 6-0 score in the first, but big tallies in the third, fourth and fifth by the Harvey crew nullified the early effort.

## Business Men Nip Potters In Close Fray

With but a handful of games left on the B League sked, Strescon bopped another win, this time over Local 1414 15-2, to keep a stronghold on the title that is destined to go their way.

From start to finish, it was Strescon's game, with errors and walks on the part of the losers giving away half of the tallies which spelled the difference.

Steve Skowronski held down the chucking chores for the winners giving up but one hit, a double, in the fifth. Steve snowed under eight at home plate, and although he gave up quite a few walks, was able to come through with Ks on the score card when the chips were standing on edge.

Skowronski also made two runs for his crew, after getting on base both times on walks. Eight tallies in the fourth frame made of of three runs—all others on walks—played havoc with the score and loused up the morale of the losers.

Shamrock Cafe hit their way over the Longren Aero boys 11-8 in a game marked with home runs and long blasts Wednesday night. J. Turner, Cafe's chucker, swatted a pair of doubles as did Denny Carpenter, but he could turn only one into a counter.

Those ever-improving Potters Local boys came within one point of a tie with the Waleria Business Men, but a late rally in the fifth and sixth innings gave the Business Men a boost. Jim O'Hara clouted a home run in the fifth to drive in Skip Herrera, and D. Herrera was called safe at home when unps ruled catcher J. R. Timms interfered at the plate.

Another run, after blasting a triple by Bob Lemaster closed the fray for the Business bunch, and they held the Potters scoreless, despite a double clouted out by Bob Buchanan.

The Potters have come close, but haven't pulled a win since they took over where the Waleria Merchants dropped off.

The Palos Verdes Merchants-Hi-Shear game was a forfeit going to the latter.

## Reflections

By J. HUGH SHERFEE, JR.

### NURSES SERVE MANKIND

According to Florence Nightingale's biography, it was during the Crimean war that Sisters and protestant nurses first brought honor and glory to their profession.

There was a time in our history when nurses were not allowed aboard ship and when they were did not receive pay.

All nurses serve humanity as professional persons, with ethics strict and rigid. Sisters serve mankind with love of humanity as compassion; protestant nurses serve mankind for their worth for skill, ability and aptness. The doctor prescribes but it is the nurse who administers the prescription with love, kindness and exactness.

Our Sisters and Nurses have a warm spot in our hearts. They are a bit of heaven and work to keep us out of it. Yes, we love them.

# HABIT!

### Every Thursday And Sunday — The Torrance Herald!

The thud of the Torrance Herald on the front porch, tossed there by the bright eyed lad on the bike, starts people all over town discussing the interesting events that have occurred during the past week. It's the great American habit... and it's Torrance's number one habit... this reaching for the paper... this eagerness to know what's going on in our home town.

It's a good habit, too, for here is the foundation of the freedoms we cherish so deeply. In knowing what's going on lies our capacity for the making of choices, which is the very essence of our individual liberty.

It is at this point that our favorite newspaper becomes so important in our way of life. For in its pages are presented the kaleidoscopic changes that are constantly occurring... the

truth of what's going on... the facts from which we, as individuals, determine for ourselves how we will vote, who we will patronize, what we will think, and what we will do.
