

Hi-Lites Of Seaside Heights

By GRAYCE RYCKMAN

As promised, I have several new neighbors to introduce to the Heights this week. What a delightful time I had, too, meeting them to introduce to you. My regret is that I do not have the ability to describe them as I found them to be.

My first meeting was with Mrs. Kay Anderson (Alice) and her son, Kay Christian Anderson, of 5335 Biltmore Rd. Mr. Anderson is a pilot for an airline company and works during my visit. Alice was so very pleasant, inviting me in and answering my questions. They have lived here nearly a month and like it very much. They come from Salt Lake City, Utah. Any spare time that Alice has, after caring for house and child, she spends in sewing, crocheting and reading. Incidentally, little Kay Christian, called Chris, had his very first birthday Tuesday, Aug. 19. So, it is congratulations to Chris, and welcome to the Heights to all three of you.

My next meeting was with the Montoyes, another new family on Bindewald . . . 5303. Actually they have been here about four months. They are originally from Arizona, but lived in Los Angeles about a year before moving here. They find the location, and especially the weather, very much to their liking. There are four little Montoyes . . . Alfred who is nine . . . Susan, 5 . . . Alexander, 3 . . . and Pauline, 2. All the neighbors already know them as well-mannered and always clean. I don't think that Mrs. Montoye (Doris) ever stops from morning 'til night; she just couldn't and keep things so nice. Welcome to the Heights, all of you.

About the best way for me to say where this next family lives is to say "in the Gravlin's house." But that isn't right because it is now Mr. and Mrs. T. Harris' home, 5132 Macafee Rd. They have two girls, Charlene 11, and Cindy 2 1/2. Mr. Harris works for the Cornier Chevrolet Co. in Long Beach, and they lived in Long Beach before moving here. Charlene is studying the accordion and is very fond of horses. Mr. Harris is working hard to complete the extra room that Win Gravlin started. And, praise be, Mrs. Harris (Alta) is interested in working in our Seaside PTA. We are mighty glad to have you Harris for neighbors.

On down toward the end of Macafee same side of the street, in the house that was vacant for so long, Mr. and Mrs. J. live the R. S. Moffett family. In the short time they have been here they have made a lovely home out of their place . . . sort of Bamboo-Modern. I guess it would be called. Mr. and Mrs. Moffett (she is called Tabby) and their 2 1/2-year-old son, Cleman Scott, are from Philadelphia. Mr. Moffett (Bob) is a professional mechanical representative and is interested in golf, fishing, and dog shows. They have a beautiful German police dog who was a war dog and understands only German commands. They have big ideas for remodeling and enlarging their place. I should have news very soon on an addition to their family. In the meantime, let's all say . . . Hello, and welcome to the Heights.

Back again to Bindewald . . . 5343. Mr. and Mrs. H. R. Milton . . . Harold and Leta moved here about two months ago from Redondo. They are a very friendly couple and completely happy here. They just hope they never find it necessary to move again. Mr. Milton is a painting contractor and likes to make model guns. Mrs. Milton crochets in her spare time. They have visitors right now and I met them too. Mr. Milton's mother, Mrs. W. J. Milton from Redondo, and Mrs. Milton's sister, Mrs. G. Milton from Redondo, and Dorothy Jane from

Walteria News Notes

A gay time was had last Saturday night when a group from the Pacific Hills section of Walteria went to a dance at Royal Palms near Point Fermin. Those enjoying the evening of lots of cats and fun were Mr. and Mrs. Robert Mills, Mr. and Mrs. Paul Bowen, Mr. and Mrs. Al Langston, Mr. and Mrs. Charles Donal, Mr. and Mrs. Jim Lamperth, Mr. and Mrs. "Doc" Hagan, Mr. and Mrs. Joe Merrill, Mr. and Mrs. John Monaghan, and Mr. and Mrs. George Holland. The folks all met and went together, so their evening was made doubly enjoyable by each other's company. It's nice when

neighbors can get together like that.
Out of town visitors to our community this week included Mr. and Mrs. L. T. Lewis of St. Louis, Mo. They arrived last week for a visit with their parents, Mr. and Mrs. Earl Hacker, Los Codona Ave. Sister to the couple is Mrs. Mary B. White, who lives on Newton St. here in our community.

Circle No. 1 of the WSCS held its monthly meeting on Monday, Aug. 4. From what we hear, some of the talented women are energetically making wood fiber flowers which they will offer for sale along with toothsome goodies at the next bake sale.

Mr. and Mrs. Stuart Rose of Newton St., along with their three children, have taken off

for a fishing trip up in the Oregon territory. They will be gone about a week.

Mr. and Mrs. Alton Whittington left Friday for a two-weeks vacation at Convict Lake in the High Sierra.

Welcome guests at the home of Mr. and Mrs. Thomas Fitzpatrick, Danaha St., last week were Mr. and Mrs. Harold Anderson of Northfield, Minnesota. Northfield holds quite a claim to historical limelight since it was at the small town that Jesse James and the Younger brothers held up a bank, and then parted company just outside of town. The Younger brothers go into the arms of the law

and the James brothers escaped. Miss Geron Kettering returned Saturday after a week's visit with Mr. and Mrs. Norman Kettering and family in Compton. Unfortunately her mother, Mrs. Ivan Kettering, was taken ill at their home on Meece St. on Monday, so we want to extend

our best "get well quick" wishes to her.

Mr. William Mitchell, Danaha St., celebrated a birthday last Sunday by having a birthday dinner followed by good wishes and a white and blue birthday cake. Guests dropping in during the day included Mrs. Helen Ziemer, Mr. Lawrence Ziemer, both of Los Angeles, and Mrs. Margaret Dowd of Los Codona Ave.

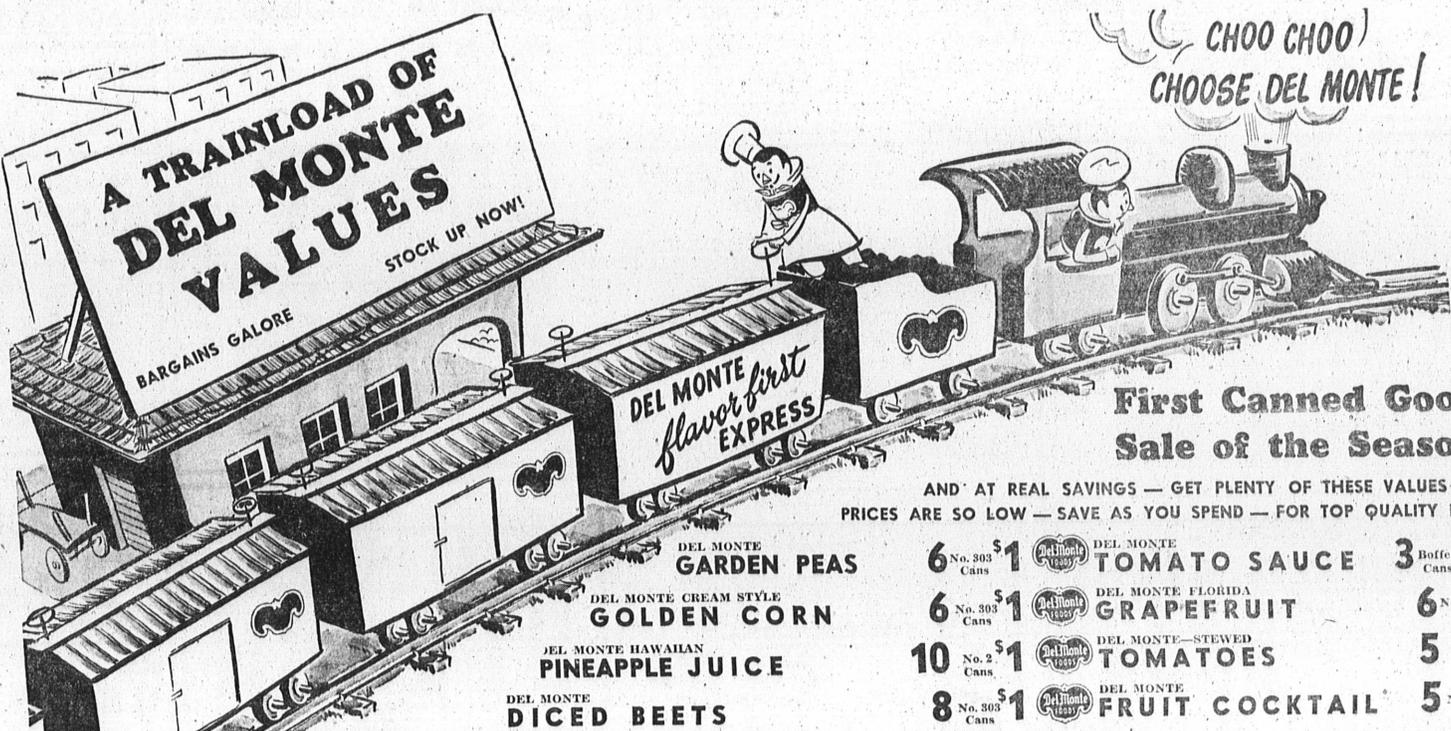

Welcome back to our community this week can be given to Mr. and Mrs. Cornelius Daily and their children, who have returned to their home on Winlock Dr. after eighteen months in San Diego.

Chamber to Expand File Of Vacation Pamphlets
Stocks of vacation pamphlets, printed matter, and time tables at the Chamber of Commerce will be expanded by nearly 100 per cent, it was announced this week by President Robert I. Plomert Jr.

Plomert explained that up-to-the-minute data concerning vacation areas, accommodations, and points of interest are available at the Chamber office, 1345 El Prado.

He also pointed out that specialized data regarding any contemplated trip may be obtained through the Chamber.

There is no charge for these services, he said.
