

HERE'S MY FORMULA!

Browning was right when he said, "Grow old with me, the best is yet to be." It will be friend, if you head your life in the right direction. Me? My formula is simple. I try to give more than I get. I've seen a lot of life in my time... got a lot of friends. Most of them discuss their problems with me. And there is the church on the corner. One Sunday years ago a strange thing happened inside of me, and it made life worth living ever since... GOD. Been giving Him a dime out of every dollar since that day. Yes, sir, I'm rich. Not much money but haven't an enemy on earth. Trying to walk the straight and narrow way and getting others to go with you makes one feel downright good inside. I've seen a lot of life in my time and still have much to live for. I'm also ready to go when He calls. Are you ready to go? Are you at peace with God?

Appointments Sought for Visit Of Red Cross Bloodmobile Here

The Red Cross bloodmobile will visit the Torrance Civic Auditorium on Oct. 6, from 3 p.m. to 7:30 p.m. to recruit life-giving donations of blood for the wounded of Korea and local civilian hospitals. California state law a person may donate every 12 weeks.

So announced Mrs. Don Hyde and Mrs. Mel Howard, co-chairman of the blood bank committee, yesterday in a message urging all local citizens to sign up now for appointments to meet the mobile. Appointments to donate blood "to save lives of wounded Americans overseas" can be made by calling Torrance 3447 or 3448. "Our blood is urgently needed now," the local chairman said. "In addition to setting up accounts in life-giving blood against which we and our immediate families may draw in an emergency, our donations through the Red Cross mean that battlefield surgeons in Korea will have blood for wounded GIs." Mesdames Hyde and Howard underscored the necessity of making an appointment for the donation. "The Los Angeles Regional blood service is operating at the very limit of its facilities in staff and equipment to meet the vastly expanded need for blood and blood derivatives," the chairman declared. "Furthermore, the highly perishable nature of whole blood makes it imperative that the Red Cross fill completely every quota.

"Were we to fall short of doing our share, the deficit could not be made up." Persons 21 to 60 years of age may donate. Minors 18 to 21 years of age can donate but must bring written permission from their parents. (This slip may be obtained from the Red Cross office, 1754 Torrance Blvd. Married female minors may sign their own release. Male or female donors must weigh at least 110 pounds. According to

WOMAN'S SLIP COSTS MAN \$10,000

CLEVELAND, O., Jan.—A certain Mr. Herbert Ollets is probably nailing his rugs to the floor these days. A recent guest in his house slipped on a loose rug, broke her arm and collarbone and collected \$10,000 from her host. Mr. Ollets now attests that a man's best friend is a dog-gone good liability policy. One company that goes along with this rugged gentleman's observation, offering just such a policy that is really comprehensive is W. E. Bowen, Torrance 215.
