

# Kettler Kapers

By TEO CUNNINGHAM, Lomita 232-J

Saw Jack Fees the other day. He's finished his boot training now and is home on a 14-day furlough, enjoyed "sleeping in" the mornings, and mother's home cooking for a change. Though he likes the Navy life, it's good to be home with mom, Mrs. Alma Fees, of Reynosa Dr. Jack reports back to the Naval Base at San Diego where he expects to be assigned to a school and given an Apprentice Fireman's rating.

Little Robin Tucker's visit with grandma was cut short by a most disagreeable and uncomfortable case of tonsillitis last week. Robin is the daughter of Bill and Joyce Tucker, of Huber St., and was staying with Bill's mother, Mrs. W. C. Tucker, in Riverside when the sore throat came about, and so Joyce had to get her. The worst is over now, but little Robin still is a little under the weather. We hope it won't be for long!

Speaking of grandma's, Kenny Kell's is taking care of him while his father, Bill, and mother, Barbara, and brothers Jimmy and Richard, are on a

and several Kettlerites were proud to be among them. Mesdames Bernadine Hartley, Eileen Hardesty, Helen Rick, and Theresa Sifers all learned what it means to become a Catholic Daughter and were quite impressed with the ritualistic ceremonies.

Reaching the ripe old age of four recently, George Witz, son of George and Sue Witz of Huber St., celebrated his birthday with a party. Neighbor children Duane Lyons, David Huffman, Beverly Gresham, Howard Grebbel, and Connie Jean Horron were there to help George eat the ice cream and cup cakes and to present their gifts. Later that same evening, relatives came in to add their best wishes and to partake of the large circus cake and ice cream. More gifts were given by Mr. and Mrs. Frank Witz, Mr. and Mrs. Randy Witz, and son Randy Jr., and Mr. and Mrs. Harry Freese and daughter Bernice. What a busy day for a four-year-old!

Cleaned out the closets and dresser drawers lately? I don't mean to be getting too personal, but was just wondering if you had saved those things that were still of some use but that you didn't want, to send to the Halloween Carnival for the country store to be held Halloween night at Torrance Elementary School.

After the children have had their fun at the carnival, pick

up the baby-sitter and don your disguise for the dance at the American Legion Hall on Border Ave. Here's your chance to use your imagination, for there will be prizes for the most original, the most comely, the best couple and the prettiest costumes.

Those children around Huber and Walnut Sts. that are becoming so adept at blowing bubbles with their gum, have little Gayle Ann Hardesty to thank for the material with which to practice. She recently celebrated her fifth birthday and invited some of her friends in to help her enjoy the day, and the cake and ice cream. Halloween candies and the bubble gum were favors for everyone. Those attending were Sharon and Karen Hines, Karen Lucas, and, of course little sister Claudia Hardesty.

desty. Belated greetings from dinner and dancing. Also going along was Jean's newlywed brother and his wife of four months, Mr. and Mrs. Ralph Wyeckoff.

It's good news at the Baldwin house! TIMMY'S HOME; and though he still gets pretty tired, he gets around quite well with the short brace that he has to wear on his left leg. He still goes for treatments three times a week, but in time will be able to discard the brace, and he's still the same cheerful boy he was. It's the best news we've heard for sometime!

Three wedding anniversaries coming together in one family, is a very good reason for a family celebration, so Jean and Jerry Loy of Middlebrook Rd. who were observing their eighth; Mr. and Mrs. John Wyeckoff (Jean's mother and father) with 28 years of wedded bliss to their credit, and Mr. and Mrs. Charles Hamilton, celebrating their 12th anniversary, all got together for cocktails at the Loys, course little sister Claudia Hardesty then went to the Palladium for

there on Marinette St. a happy anniversary the 23rd.

Say folks, we can't report news if we don't know about it, so how about hearing from more of you?
