School Prowled
Prowlers entered Perry Ave. School sometime Friday night, but got nothing for their trouble, Principal L. Foster reported to Torrance police Saturday.

Round the Riviera

More Twins Found Living in Riviera

JACK AND MARY WEBB
Former Riviera residents Mr. and Mrs. H. L. Wilsey and their daughter, Katherine, 6, were recent guests at the home of Mrs. Wilsey's mother, Zada Jones, 701 Calle de Arboles. The Wilseys left Riviera three years ago and have been traveling over the world in government service since then. They spent two years in Oslo, Norway, where Mr. Wilsey was connected with E.C.A., and then another year in Manila, Philippine Islands, with the American Embassy. In the course of their travels, they have visited England, Paris, and other world centers. The Wilseys returned to Manila last Tuesday, going the long way home, via New York and London.

An afternoon tea held in honor of Mrs. H. L. Wilsey was given Nov. 19 by Mrs. Gail McCall, 705 Calle de Arboles. Mrs. McCall reported the afternoon was spent talking and answer-

ing questions about Manila and conditions overseas. In reciprocation, Mrs. Wilsey's former neighbors filled her in on local happenings. Guest's attending included Mesdames Harry Walker, Curtis Cool, Hans Helmle, John Treacy, Roy Christianson, Ethyl Von Blankenburg and the honored guest.

Jim Mullen, 122 Via Alameda, son of Mr. and Mrs. James J. Mullen and member of Boy Scout troop 718 received the highest Boy Scout award recently in a ceremony at the Riviera Beach Club. William Bent, Los Angeles Scout Council representative, formally tendered the Eagle award to Mullen. Scoutmasters present at the ceremonies included Carl Paul, Henry Miller, Gail McCall, and advisor to the Explorers, Stan Southern. Honored guests were Rev. Victor White, S.J., from Loyola University; Rev. Wm. Swegar, S.M., Junipero Serra

High School, Gardena; Hugh Reynolds, District Chairman of the South Bay Scouts; and Judge Otto B. Willett, who gave the assemblage a message on Scouting.

At the time of the award presentation, Jim presented his mother with a smaller replica of the Eagle award he was receiving. He is the first Scout in Riviera to receive such an award.

Next meeting of the newly formed Bicycle Club of Riviera will be held at El Retiro Park, Saturday, Dec. 13th, at 10 a.m. It was announced. Plans for a poster contest will be discussed and a movie is scheduled to be shown. This organization is now sponsored by the Riviera School P.T.A.

Speaking of the P.T.A., Mrs. Thorsten Burman, membership chairman, reports that total membership of the Riviera group is 547, with 343 of the number being women, the other 204 being men. Her report reminds us of a story we recently read in the Examiner's E. V. Durling column. Durling reported that one P.T.A. he had found had some 300 women in it and only 2 men, and the question on the floor was, "Are those parents?" We call Durling's at-

tention, to the Riviera P.T.A., which proves rather conclusively that the fathers in our section are parents.

It would be interesting to know whether our ratio of roughly three women to every two men is a high one for the average P.T.A. group. And of course it goes without saying that we would welcome a few more fathers who would like to be 100 per cent parents.

The Ralph Johnsons have moved from their home at 120 Via Alameda to new residence in Rolling Hills. In their stead, we welcome Theo and Mary Lou Linehart and their two daughters who have moved into the Via Alameda home. Linehart is an engineer at Northrop Aircraft, the family having moved here from Manhattan Beach.

William A. Mason, 204 Via la Circula, wishes to thank all his friends who sent him get-well cards and good wishes during his recently completed stay at the U.S. Naval Hospital, Coronado, Calif. He returned home this past week and reports feeling hale and hearty.

Mrs. Louis Regan, 265 Vista del Parque, arrived home a couple of Sundays ago, to find her pedigreed dachshund gone.

A hurried phone call to Torrance police revealed that a dog of description had been hit by an auto and turned in to the Torrance pound. When she picked up the dog the next day she found him not too much the worse for wear and just a little bruised and sore. Most of his wear and tear had come from chewing his way out of the garage where he is ordinarily housed. Luckily, the auto had not added to the bruises inflicted as he was gaining his freedom.

Westey and Naomi Muzik, 238 Calle de Madrid, report their shoe repair store was broken into a week or so ago. The hoodlums gained access through jimmying the back door, but strangely enough, nothing seems to have been taken. Sheriff's department is checking into the case, the Muziks add.

Mr. and Mrs. Paul Howey, 508 Calle de Andaluia, are entertaining their daughter and 7 months-old grandson, Nancy and Thomas Roderick Crabb. Son-in-law Lieut. Cecil Crabb accompanied his family out here, preparatory to going overseas with a jet fighter squadron. Once here, his orders were changed and he was sent to Texas to qualify as a B-26 pilot. When he has qualified, he will be ordered overseas in this new type (to him) work. In the meantime, Nancy and little Thomas will make their home with the Howeys until the Lieutenant's return.

Still another set of twins came to light this week! They are Ellen and Gar Forcier, 18 year old daughter and son of Mr. and Mrs. E. M. Forcier, 143 Via la Circula, and have the honor of being the oldest twins in Riviera... at least to our knowledge. Riviera neighbors may not even know they are twins, since Ellen is but five feet tall while twin Gar is now a strapping six-footer. They have lived here for over four years, together with mother, father and brother David, 17.

Mrs. Elaine Sanderson, 432 Calle Mayor, and her three children have been visiting her mother in Fresno. Main purpose of the trip was for the removal of 6-year-old Glen's tonsils. It seems that he has had a continual cold here and could not be cured long enough for the tonsillectomy. The other two children, Dean, 3, and Jan, four months, went along to keep mom-company. Hubby stayed home to keep the house company and to work. He went to Fresno for Thanksgiving and brought them home after a month's stay.

Recent departures from our neighborhood must include Mr. and Mrs. Richard Ott, 868 Calle de Arboles, who moved to their new home in Santa Monica last week-end. Moving into the Calle de Arboles home were new owners, Mr. and Mrs. Harley Cunningham, from Crawfordsville, Ind., who had visited with their friends the Satterlees when they first arrived here from back east. They had been looking for a home to buy here and finally settled on the Ott's former residence.

Mr. and Mrs. Johnny Lein, formerly of 801 Calle de Arboles, together with their two sons, have moved to a new home in the San Fernando valley. Johnny promised us he'd see us again on the night of the Las Vecinas dance scheduled for this month at Portuguese Bend.

Four performances, Friday and Saturday, Dec. 5 and 6, and Friday and Saturday, Dec. 12 and 13, is the schedule set for the South Bay Opera's newest production, "Rose Marie," at Redondo Union High School. Betty Bailey and Dick Wil-

liams, both of the South Bay, play the leads of Rose Marie and Jim Kenyon. Rivieran Bau Bennett, 716 Calle de Arboles, plays the part of Emile, Rose Marie's brother, while other Rivierans, Arthur Lytle, and Ray and Lois Borman, will be present in the orchestra.

Dick Bonham, 221 Via Buena Ventura, long an active member of the opera group, misses his first production this time. His recent promotion at Prudential Insurance has forced him to devote more time to business, precluding taking an active part. Also missing from the Rose Marie scenes is Marge Kinsey, who has been with the Opera company for years.

New Harbor City Lomita Lions Club Organized

One of the newest, if not THE newest Lions Club in California, is the recently organized Harbor City-Lomita Lions Club, which is under the sponsorship of the Torrance den.

Ray H. Ferrin of 1836 W. 254th St. in Lomita, was elected the club's first president at a meeting held Monday evening Nov. 24 at the Ding How Cafe.

The new club, now meeting on the first and third Mondays, is scheduling a charter night meeting to be held Jan. 10 with Al Izen, a past president of the Torrance Club, serving on the arrangements committee. Assisting him is Theodore P. Witz of Lomita.

During the month of December only the club will meet at 7 p.m. on Dec. 8 and 15 in the California hall.

Helping organize the Harbor City-Lomita club is Phillip Hastings, international representative, who spoke to the combined meeting on Nov. 24.

Secretary-treasurer of the new club is J. D. Cowger of 25421 S. Western Ave.
