

## Fourth District Area Cuts Now Being Studied

Possibility that the Fourth Supervisory District will be trimmed in area was seen last week in an announcement from the Board of Supervisors that reapportionment will be studied, for the first time in a quarter of a century.

A motion by Supvr. Raymond V. Darby, who represents the Fourth District, was adopted,

He is serving with the 8th Field Artillery Battalion, whose big howitzers are supporting the 26th Infantry Division, the senior unit in the combat zone.

## Shutterbugs On Loose At EC For '53 Yearbook

Shutterbugs on the El Camino College campus snapped their shutters with added fervor this past week as a snapshot contest in the interest of the 1953 yearbook, the Warrior, got underway.

Marion Hixon, editor, said the contest was developed so that a pool of pictures might be collected for use in the annual. First prize, she said, would be a student body card for the spring semester.

Production of the yearbook is well underway, Miss Hixon revealed. This year's theme is "Operation Bulldog" in recognition of the growth in buildings and student population at the college.

## Torrance Puts Twice As Much In SA Kettles

Torrance residents really "put it in the pot" Saturday when the Salvation Army's "boiling pots" were manned by members of this community's service clubs. Although collections are down 20 per cent from 1951, Torrance more than doubled last year's contributions, according to Charles F. Mullen, chairman for the drive. The pots were manned by members of the Kiwanis, Lions, Optimists and Rotary Clubs.

Provided anyone missed the opportunity to contribute to the pots, Mullen said there is still time to donate. Checks made payable to the Salvation Army may be mailed to him at 1519 Post Ave., or phone Torrance 3803 and the contribution will be picked up at your house.

## Dennis Holmes Returns to U.S.

He is the son of Mrs. Agnes I. Vetter, 1078 256th St., Harbor City.

## 'Jungle Jim' Leech Now In Korean Waters

In 24 hours of steady firing, gunners aboard the USS Rochester, now in Korean waters, flattened a Red town, James (Jungle Jim) Leech wrote his parents, Mr. and Mrs. George Leech, 727 Border Ave.

The former Torrance High athlete has been serving with the 7th Task Force in Far Eastern waters for almost a year now. He writes to say that the cruised will sail to Indo-China next month and return to Korea before coming back to the U. S.

instructing the county engineer and the registrar of voters to make a study of representation.

Lopsided population growth in two districts, the Fourth and First, has reached the point, it

was declared, where an adjustment is necessary to even up representation.

The Fourth District, at latest count, was the second largest, containing 637,197 registered voters. Largest, the First, numbers 673,954; others, and their voter

strength, are the Fifth, 589,569; the Second, 295,597, and the Third 313,889.

Percentage-wise, the districts stack up like this: First, 27; Fourth, 25; Fifth, 21; Third, 15; and Second, 12.

The Fourth District includes a

portion of Long Beach, plus all other beach cities and communities in an area extending through Compton on the east and to the San Fernando Valley on the north.

According to the County Charter, it will require four su-

pervisory votes to change the district boundaries.
