Batemans of Arcadia, the Sam Smiths of Westchester, and the O. E. Allises of Long Beach.

Down from the north for a visit last week were Mr. and Mrs. John Walker and their two sons. They are visiting at the home of Mrs. Lorine Harline, Los Codona Ave. Mrs. Walker, accompanied by her son Stevie, arrived on Sunday, Jan. 18, while her husband came down with son Johnny on Saturday the 24th. The Walkers now make their home in Healdsburg, where they own a small ranch. They are well known in our community since they lived for several years in Walteria.

Here's wishing them a very pleasant trip.

The sick list seems to be growing these days since almost everyone is down with one illness or another. We were glad to see Kenny Cramer up and around again after a recent tonsilectomy. Kathy O'Brien had an appendicitis attack and we hope to see her recovering satisfactorily from that. Jimmy Harner is under doctor's care for a badly infected ear. Mary Lou Beers had a painful time when the flu was combined with a strep throat. Then to top things off, she eyes got into the act when Janis Bowen sustained an injury to one of hers. Seems everyone has his troubles this winter.

The Homeowners Assn. of Pacific Hills held its meeting on Monday, Jan. 19, for the election of officers for the coming year. Board members elected include J. B. Johns, E. Schooner, Mrs. W. H. Crocherson, Mrs. Vernon Hodgkins, Mrs. H. P. Butlow, Dale Broderson, Tom Jones, Ralph Farber, Doral Fumeshausen, E. J. Robinson, and Mrs. Earl Sampson.

Named for an advisory committee were J. E. Minter, William Cameron, and Mrs. Don Menger. Everyone there had a lot of fun when the various families attending told where they were from and gave short biographical sketches on the spur of the moment. The person who seems to have come the farthest to live in our community is Mrs. Dobbs, who came from New Zealand.

The Sunday School youth classes of the Walteria Baptist Church enjoyed an outing on

Saturday when they all went to the snow at Mount Baldy. This is a treat indeed for many of the youngsters to whom snow is quite a novelty. At any rate, they had a first-rate time and came home tired but happy.

Ah yes, it seems the stork has been busy again. Parents of their first child are Sgt. and Mrs. Earl Peters of Park St. The stork left them a bouncing baby girl, Della Ann, on Monday, Jan. 19, at the Torrance Memorial Hospital. The little miss weighed six pounds four ounces. Maternal grandparents are Mr. and Mrs. Ray Deurloo. Many friends extend their heartfelt congratulations, and we join them in wishing a happy future to the newcoomer.

Another bundle from the stork arrived for Mr. and Mrs. E. W. Hunter, Ocean Ave. This bundle was also a girl and arrived at the Seaside Hospital in Long Beach. Christened Nancy Almada, she weighed six pounds, seven ounces, and was born on Monday, Jan. 19. She joins a two-year-old brother at home.

Sunday evening guests at the Ivan Kettering home on Neece Ave. on Jan. 18 were Mr. and Mrs. Norman Kettering and their two daughters, Karen and Gretchen of Compton.

"Cooking Is CAREFREE WITH AN O'KEEFE & MERRITT GAS RANGE"

VANISHING SHELF

Saves Steps... Saves Work

Needless trips to distant tables and back to range wear out the cook. Vanishing Shelf saves steps. You mix and cook standing still at the range. Use Vanishing Shelf for ingredients, cook book, batter bowls, hot dishes!

PRESTO! Vanishing Shelf can become a snow-white porcelain cover for the range top.

IT VANISHES... when not in use.

KOOL KONTROL PANEL

Keeps Control Knobs Cool

With ordinary control panel, burner knobs get hot... lead to burned fingers and tarnished controls.

WITH KOOL-KONTROL PANEL heat is thoughtfully routed away... control knobs stay cool to touch... stay white.
