

Narbonne Swarms With New B-7's

By ADRIANNE SIDWELL. Narbonne welcomed a swarming bunch of B-7s last Monday. Things were pretty rough that day, one could hardly keep from bumping into them. They were such an excited bunch of kids. By now they are beginning to get their bearings. B-7s, it won't be long until you'll be loving our Alma Mater as much as we do.

I don't believe I ever saw a happier bunch of A-12s than those who graduated last Friday evening. Narbonne hopes the future will hold a lot of happiness for them.

Here are some of the plans of the new graduates:

After holding the strenuous office of chief justice and head cheer leader, Jack Crockett feels he deserves a short rest before entering the armed forces.

Bonnie Harrington plans to join the U. S. Navy after two years at Harbor Junior College.

Pat Cleary, Barbara Osborne, Kenneth Martin, Nelvice Eby and Irvan Miller are some of the other kids planning to enter Harbor Junior College.

UCLA is going to see a lot of former Gauchos tearing up their campus soon. A few Bruins to be are Chris Nelson, Judy Margaram and Mollie Armes.

Arlene Mendoza is planning to help her husband build their house by working in a factory for a while.

Mollie Armes and Bill Young plan to attend night classes at El Camino College.

The Narbonne PTA gave a post-graduate party for our graduating seniors, starting at midnight and ending in the wee hours of the dawn.

Report cards may have been the occasion for celebrating with several parties. The kids probably took advantage of a weekend with no homework.

Wonder how much sleeping was done at the slumber party held last Saturday night by Paddy De Vore. Seen eating and gossiping there were Conchita Elorriaga, Jackie Zittle, Carol Perry, Alma Cribbs, Bonnie Clifford, Karen Fanning, Jennifer Bowen, Gloria McCann,

Some gruesome plans have been made for the new mem-

Jane Phifer, Marcia Blaker, Carol Shepherd, Stella Emery, Charlotte Emery and the hostess, Paddy.

A birthday party was given in honor of Dorothy Algarme last Saturday night. Kids seen having a wonderful time celebrating were Irvan Miller, Louy Sims, Georgia Moore, Mike Chambers, Donna Emmal, Pete Nahal, Sally Beebe, Darlene Savayo, Frank Algarme and the honoree, Dorothy.

Jane and Sue Gately gave a "cootie party" last Sunday evening. Dorothy Algarme, Terry Rich, Jeannie Spangler, Darlene Smith, Lynn Wells, Carol Armstrong from Torrance, and the hostesses, Jane and Sue had a lively time playing the clever game.

There is no snow to be seen at Idyllwild, report Bill Young and Mollie Armes, who went there over the weekend, only to be disappointed.

Hey Gauchos, you just don't know how much fun you're missing on Friday nights from 7:00 to 9:00 at the Lomita Park. All

members of the Home Economics Club, who are to be initiated on the night of Lincoln's birthday. The girls who will get the rough treatment are Pat Gilbert, Margie Getz, Marge Cullinan, Donna Fisher, Terry Rich, and yours truly.

Lila Ann Roberson wants her name in the paper, so here it is: LILA ANN ROBERSON.

The Baronettes, a newly organized tenth-grade girls honor service club, installed new officers last Wednesday after school in the Narbonne cafeteria. The mothers of the Baronettes were the guests.

Hope for a speedy recovery is being extended to Mrs. Carl Bowers, Claudia Bowers' mother, who suffered a severe heart attack last Friday night. She was taken to the Harbor General Hospital. She is due home this week.

U.S. farmers used more than seven million gallons of motor fuel in 1950 compared with a million gallons in 1920.

kind of sports are to be enjoyed, such as volleyball, basketball, and ping-pong.

And whatever you do, don't forget the paper drive next Wednesday, Feb. 11.

Police Continue Bike License Sales Here

Bicycle license tabs will be issued at the Torrance Police Station again Friday afternoon between 3 and 5 o'clock, bike owners were reminded yesterday by Chief J. H. Stroh.

New licenses will cost 50 cents, renewals 25 cents, he said. Members of the police department have been visiting schools throughout the area during the past week issuing licenses.

Bike owners seeking licenses must bring their bikes to the station tomorrow, Stroh said.

FUEL FOR FARMS

U.S. farmers used more than seven million gallons of motor fuel in 1950 compared with a million gallons in 1920.

Salary Increase To Be Discussed At TEAC Meeting

An explanation of the reasons and purposes of the recent salary increase granted Torrance teachers will be given at the February meeting of the Torrance Educational Advisory Committee meeting to be held Feb. 9 at noon in the YWCA building. According to Dr. Howard A. Wood, moderator, other subjects to be discussed include the building program and the annual conference of the National Citizens Commission.

Those intending to attend are urged to make reservations with the superintendent's secretary, Torrance 2111, sometime today. Price of the luncheon is \$1.30.

MILK WEIGHT
One quart of milk weighs 2.15 pounds.
