BETTER THAN MONEY IN THE BANK If you are paying \$75 per month rent for a 2-bedroom home let us show you how to make \$24 in the next 12 months. EXAMPLE: Suppose you have \$2000 in a bank and receive 2% interest your money makes \$40 a year. If you invest \$2000 in this home it only \$48 per month including taxes and insurance. Subtract \$48 from the \$75 you are paying to the landlord and you will be buying in a year. You will have saved \$24 in a year's time, and you will be buying in a land growing community in the world. Let us prove it to you.
