

All-Tournament Teams Include Torrance's Moon

Coach Ken Fagan's Compton Five beat the Ventura cage quintet Saturday night to cop top honors in the annual Beverly Hills High School Basketball Tournament. Chaffey, who dropped the Torrance team out early in the tourney after a close game, beat Montebello to be named the third team of the meet.

Additional honors came to Torrance's Bob Moon, who set a new school scoring record of 33 points in the game against Chaffey last week, with the naming of the all-tournament teams Saturday night. Moon was named to the tournament's second team, Moon, a junior at Torrance High and the son of Elmer S. "Red" Moon, the city's athletic director, broke Bill Barton's two-year-old scoring mark of 31 points made here against Leuzinger in a league game.

Jordan Bumps Warbonne 60-55 in Marine Tilt

By ADRIENNE SIDWELL
A powerful Jordan Bulldog five handed a heartbreaker to the Narbonne Gauchos Tuesday on the Bulldog court. The final score was 55-60.

After losing this game, the Gauchos dropped into second place. Jordan, San Pedro and Banning are still tied for first place.

Jordan led the Gauchos every quarter in spite of the terrific fight put up by Narbonne. The loss of the Bulldogs' top player, Earl Battey, did not hinder their superb playing.

James Gamble chalked up 25 points for the home team to lead the game's individual scoring. Jerry Burton of the Gauchos also scored 25 digits. Burton is the leading Marine League scorer with 164 points.

Bulldogs Lead
The Bulldogs led at the end of the first quarter, 17-14. By halftime the Bulldogs were in front, 27-19. At the end of the third quarter the Bulldogs led, 44-37.

All together, five men fouled out of the game and all in the second half. Narbonne's Donn Osborne was the first to foul out. Next went Jordan's Stewart. Burton and Gimenez of the Gauchos also fouled out. Gamble went out late in the fourth quarter.

Bees Win
Jordan's "Bee" team just barely lost to the undefeated Narbonne lightweights. The game was closely played all the way through. At the end of the fourth quarter, the scoreboard read 40-44.

Narbonne plays host to a strong Banning five tomorrow night.

Wildman Amick to Return To Midget Track Sunday

George Amick, the "wildman" of the mighty midgets, returns to the Thunderbug competition when the I.A. stages its first mighty midget race of the 1953 season at Carrell Speedway Sunday afternoon.

Amick is heralded as the man to take Alan Heath's place in the midget ranks. In fact it was Heath who developed Amick and taught him his daredevil driving style.

URA Official Roy Ross informed Carrell's promoter, Don Basile, to prepare for approximately 40 mighty midgets for Sunday's opening card.

Tiger Nick Valenta will be on hand, as will Don Cameron, Johnny Garrett, Duke Beamer, Cal Strandlund, Eddie Anderson, Clay Robbins, Johnny Woods, Tom Sjodean, Johnny Paulson and a flock of other URA pilots.

Ross said there was a strong possibility that a powerful contingent of mighty midgets from Northern California would be here for the competition. Time trials will start at 1:00, with the Trophy Dash opening the race card at 2:30.
