### Opening Meeting Set for Parent Education Class

A membership meeting for the Parent Education classes will be held in the Torrance High School cafeteria from 7 to 10 p.m. Monday evening. It was announced yesterday. The meeting will be open to the public.

Operation of the Torrance Cooperative Nursery laboratory will be discussed as will plans to increase the enrollment of children of pre-school age.

Mrs. Marjorie Jordan will lead the educational program which will be followed by a group discussion.

Information about enrollment may be obtained by calling Torrance 2487-M.

### Homeowners Tour Refinery

Ralph Schmidt, president of the new Torrance Gardens-Flaza Homeowners Assoc. and five other members of the organization visited the General Petroleum Refinery here Saturday as the guests of Manager A. E. Thompson.

The tour was arranged by Thompson after the organization set up a committee to study smog and air pollution conditions in the area.

The next general meeting of the association will be held next Tuesday evening, Feb. 17, in the Fern Ave. Cafeteria, Schmidt said. The meeting has been called for 8 p.m.

Committees of drainage, air pollution, zoning, traffic, street lighting, and by-laws will report. The by-laws will be put to the group for acceptance, the president said.

### Foursquare Pastor Going to Sao Paulo

Scheduled to leave in June for Sao Paulo, Brazil, where they will enter the mission work of the Foursquare Church are Rev. and Mrs. William H. Clayton and daughters Diana and Miriam.

Announcement of the appointment of the Claytons to the South American industrial city was made at the annual meeting of the church at Angelus Temple Tuesday night.

The Claytons, whose two daughters are attending Torrance High School, have been here since July, 1952, when they succeeded Rev. Arthur Pedersen as pastors of the Foursquare Church.

Rev. Clayton has been attending Long Beach State College and expected to complete his work for a bachelor's degree in June.

The family, who lives at 1820 Calamar St., will travel to South America by boat, according to the pastor.

The tour of duty in the mission fields is at least five years, he said.

Rev. Clayton said he would probably resign his post here before June in order to prepare for the new assignment.

### Red Cross Volunteers Appeal To Local Industries for Funds

Commerce and Industry division leaders of Torrance's 1953 Red Cross fund campaign are out making their appeal to large firms in the area this week following a final check of plans last Thursday in the conference room of the Industrial Relations building of General Petroleum Corp.

Meeting with C&I Chairman A. E. Thompson, of General Petroleum, were John Ebbinghouse, American Rock Wool Corp.; E. B. Paul, General Petroleum; O. A. Kresse, retired (formerly of Columbia Steel); A. D. Wagen, Pittsburgh Plate Glass Co.; Reed H. Parkin, Domasco Corp.; Albert W. Hinz, Harvey Machine Co.; Mervin Schwab, American Radiator and Standard Sanitary Corp.; S. E. Brunner, Columbia Steel; and H. C. Harper, Prudential Life Insurance Co.

**Needs Discussed**  
The volunteers discussed the need this year for vital Red Cross services, including the dramatic new anti-polio project, "operation gamma globulin," in which Red Cross is participating with the National Foundation for Infantile Paralysis. Red Cross will provide more than one million units of the whole-blood derivative, gamma globulin, before

**Baptist Brotherhood To Meet Here Tomorrow**  
The Men's Brotherhood of the First Baptist Church will have its monthly dinner meeting tomorrow evening at 6:30 in the church annex, it was announced yesterday.

Dr. Janney, teacher of theology in the California Baptist Seminary, will be the guest speaker.

A special invitation is being extended men of the area to attend this meeting.

**Guest Speaker Slated For Baptist Services**  
Nationally known evangelist Harry Von Bruch and Everett Mills, known as the "Children's Friend," will be guest speakers at the 7:30 p.m. Evangelistic services Sunday evening at the First Baptist Church, Carson and Manual.

The service should be an inspiration for both young and old, according to Rev. C. M. Northrup.

the expected summer polio epidemic.  
GG has been proven effective in lowering the incidence of polio, and is preventing or minimizing the dread crippling effects of the disease in the majority of cases. Red Cross participation in "operation gamma globulin" will cost \$7,000,000 this year, and will take approximately 1,200,000 extra pints of whole blood.
