Cee Cage Team Beats Orange in Tournament

Forward Norman Chambers led the Torrance Class C cage team to a 36-24 victory over Orange in the first round of the Capistrano tournament Tuesday. The peewees returned yesterday afternoon to meet Huntington Beach, last year's tourney champs.

BACK IN TIME . . . Outfielder Dick Tiffany scrambles back to first base in a pick-off play Tuesday afternoon as Tartar first baseman Joe White is pulled off the bag by the throw. The Bellflower nine, out for the first time this season, tallied three runs in the first inning and nine in the third to beat Coach Dick Leech's Tartars 12-0. It was also the first appearance this season for the local nine. White and Captain Jim Murphy got the only hits off Bellflower pitching.

Gaucha Sets Scoring Record

Gerald Burton, Narbonne's star basketball player, set a new Marine League scoring record Tuesday afternoon as he scored 33 digits to lead the Gauchos to a 61-39 victory over the Westchester Comets.

Burton's new scoring mark topped the previous league high by one point. The Gaucha ace is also leading the Marine League scorers with a total of 225 points, and is second in city play only to Jim Kaufman, Los Angeles High's star, who recently set an all-city scoring mark of 58 points in one game. In the preliminary game, the undefeated Narbonne Bees downed the Westchester five, 50-46. Forward Roy Don Ruel and Guard Jimmy Williams led the lightweight scoring with 12 points apiece.

Banner Takes Lead As Fenwick's Fall

Despite a 32-point barrage by Guard Jack Turner, the Fenwick Shoe basketball team, defending champions of the recreation department's Class A League, found itself on the short end of a 56-24 score Monday night after a meeting with the Manhattan Beach All-Stars.

The Fenwick Five dropped in to a two-way tie with the Redondo Eagles 50-40. The Lomita team now heads the loop with a 6-1 record for the season. Fenwick and the Eagles each have a 5-2 record.

Wins But Losses
 The Hot-N-Tot Cafe quintet got into the winning circle on the scoreboard at least in the curtain closer Monday night by downing the National Supply crew 69-51. Inasmuch as the Hot-N-Tots are playing with ineligible players, however, their win will go into the scorebooks as a loss. The Hot-N-Tots lost several players to the Armed Forces and are forced to use players which are ineligible under the league rules. For this reason, the balance of their games will be forfeited, although they will play.

Tartars Host Sents Tomorrow Evening

Coach Rex Welch's Tartars entertained Santa Monica here yesterday evening, will be host to the Inglewood five tomorrow evening, and the Leuzinger five next Friday, Feb. 27, to round out the 1952-53 cage season locally.

Winners in their first start only this year, the Tartars will probably wind up with the task of beating Leuzinger next week, to keep from being on the absolute bottom of the league when the season is over.

Results of yesterday's Torrance-Santa Monica game were obtained too late for today's Torrance Herald.

Coach Mel Seifert and his Redondo Seahawks will meet Santa Monica tomorrow night in what could be the deciding game of the league.

Leading the Santa Monica Vikings by two games, the Seahawks met Inglewood yesterday, the only team in the league

1953 Chevrolet Advance-Design Trucks are more truck for the money!

4 powerful reasons why you get more of what you want . . .

- more engine power
- more staying power
- more braking power
- more economy

Advanced Loadmaster engines—standard on 5000, 6000 Series and forward-control models, optional on 4000 Series heavy-duty trucks.

Heavier, stronger, more durable frames increase rigidity, add to ruggedness and stamina of 1953 Chevrolet trucks.

Trucks up to 4000 Series heavy-duty models have "Torque-Action" brakes. Series 4000 and above use "Torque-Action" brakes in front, "Twin-Action" in rear.

New stamina plus extra gasoline economy in heavy-duty models with Loadmaster engine, reduces hauling costs per ton-mile.
