Clark's Markets to Cut 4-Foot Washington Pies

Two huge cherry pies (in celebration of Washington's birthday) each weighing in excess of 250 pounds will be sliced and served to residents of the South Bay-Harbor areas on Saturday by the management of two Clark's markets. The pies, measuring four feet across and three inches deep, will be on exhibit all of Saturday morning at Clark's Crenshaw market, Crenshaw and Compton Blvds., and at Clark's pie Western Ave. market, Western Ave. and Imperial Hwy. All residents of the area are invited to either market for a slice of pie and a cup of coffee any time Saturday afternoon. The two pies, said to be the largest in the world, will be cut at 12:30 p.m. The management expects to serve approximately 1000 persons from each market.
