Halldale Pupils To Visit Local Bank of America

Members of the Halldale School sixth grade class of Mrs. Ruth Boller are scheduled to make a tour of the Torrance branch of the Bank of America on Tuesday, March 3, as part of a social studies lesson.

Accompanying the children in addition to their teacher will be Donald J. Shroyer, Supervisor of Thrift, Conservation, and School Savings Program of the Los Angeles City Schools.

Other to Tour Bank

In addition to the above class children from other grades who are planning to open a new school savings account will also make the trip.

During the course of the tour, which will be handled by Manager Dean L. Sears and his staff, the youngsters will be allowed to enter the vault and see the safe deposit boxes, and will be taken behind the counters to see how the bank business is carried on.

After returning to school the children will have a discussion about their trip in preparation for a written essay about what they have learned at the bank. The children also plan to make oral reports, posters, and write letters of appreciation to the manager of the bank.

Cooperation Urged

School savings plans have a far-reaching and beneficial effect, Principal Amanda Bonwell said, urging parents to cooperate with teachers in encouraging children to set aside their coins for the purpose of opening bank accounts.

Knowing that habits of thrift are acquired at an early age, both bankers and educators are working together to teach children this vital concept, according to Burton M. Oliver, head supervisor of the Thrift Conservation, and School Savings Program of the Los Angeles City Schools.

New Treatment For Arthritis And Muscle Pain

TORRANCE — If you have been suffering for years from arthritis and muscle pain, do not despair. Dr. Larson's new application of the latest in scientific therapy is promising new hope for relief of the crippling torture of arthritis and rheumatic conditions. Larson, D. C., Ph. C., 1110 Sartori Avenue, Torrance (three doors north of Torrance Blvd). —Adv.

County Endorses Vet Hospital Legislation

The County of Los Angeles Tuesday endorsed federal legislation proposed by veterans organizations which will raise the standard of the Veterans Administration Hospital Program to meet the needs of California's veteran population.

According to Supervisor Raymond V. Darby, who urged support of the bill—known as Senate Joint Resolution No. 9—the number of the agency's hospital beds—already woefully low—had been decreased by 2000 since June of 1950; and that the Veterans Administration's hospitals proposed for erection at San Francisco and San Diego had never been realized.

Despite the curtailment, Darby said, hundreds of thousands of veterans are continuing to migrate to California from every state in the Union, and consequently, the need for hospitalization has shown a steady increase.

The proposed legislation calls for the California State Legislature to request Congress to appropriate funds for development of the Veterans Administration Hospital program in California.

News Man Joins U. S. Steel

Robert W. Evans has been appointed assistant director of public relations for the Western District of United States Steel Corp. which includes the Torrance Columbia Steel plant, it was announced yesterday.

A Pittsburgh, Pa. district newspaperman for 17 years and an employee of United States Steel since 1942, he will have his headquarters at 25 Beale St. in San Francisco.

Montana Picnic Today

Residents and tourists from "The Treasure State," Montana, will gather today at the Sycamore Grove Park in Los Angeles for an all-day reunion, according to the Hon. Walter Danielson, president of the "Gold and Silver" society.
