Long Legged Bird Returns to Knolls

By TEO CUNNINGHAM
That old long-legged bird, so commonly known as the stork, has made two recent visits to the Knolls, both times with small bundles of femininity...

she weighed "8 lbs. plus" at San Pedro Community Hospital on Saturday, Feb. 21. The Clark's now have a female trio, having two older girls, Arlegene who is 6, and Susan who is 4. Sandra Kay was looked after by her great grandmother, Mrs. Elizabeth Robinson of San Pedro, upon her arrival home...

Mary and Fred Guzman, of 1835 Marinette, gave a royal welcome to their little caller Monday, March 2... their second daughter, Sharon Louise, 8 she arrived at 8:03 p.m. at Seaside Hospital in Long Beach. Weight 8 lbs. 10 oz. Also voicing hearty approval of the event was sister Carolyn, age 3 years. Daddy Fred, popping all his buttons lately, is employed at J. T. Thorpe in Los Angeles as a hod carrier...

Boyd and daughter Pattie Annie of Joliet, Ill. While here in Torrance, they are making their headquarters at the home of Walt and Edna Sharon on Reynosa Dr. Of course, while here they will do a bit of sight-seeing and relaxing, Mr. Boyd is Edna's brother.

Surprises are such fun! That sounds so trite but isn't it the truth? And if you don't think so, just ask Wilma Brown, on whom the surprise was sprung, and Camilla Helphand, Dorothy Wainwright, Mrs. Emily Walters, and Mrs. Cora Milligan who were also in on it... The surprise was a birthday luncheon, honoring Wilma and hosted by Gloria Hixson in her home recently on Kathy Way. The table was really lovely, and drew many ohs and ahs from the guests, with its lovely pink and white flower centerpiece. Of course, there was the usual decorated cake wishing Wilma a happy birthday, and the group presented the honoree with a gift.

Feeling that there is really some truth in the saying "Home Sweet Home" were three Knolls couples, Bernice and Woody Hartley of 234th St., Joe and Velma Lucas of Huber St., and Ken and Teo Cunningham of Reynosa Dr., when they arrived here safely last Sunday evening after experiencing an exciting week-end that crowded so much in two days. The group made a trip to Las Vegas... a regular footloose and fancy free week-end as the children were left home, and mom and dad were off for a short vacation from parenthood...

Reflections

By J. HUGH SHERREY, JR.
BLINDED PILOT "TALKED IN"
2nd Lt. Roth T. Tudow dropped his bombs near Sawiwon, Korea; enemy anti-aircraft fire shattered his canopy; plexiglass cut his face, blinded him. 1st Lt. James E. Lurie "talked him in" to a safe landing at his home base, was a UP report. You and I, in our homes, businesses, on the street, are blinded by an insidious enemy. We may go our sightless way, be hurt by gossip, crash upon the mountain of confusion, be taken prisoner and live a life of bitterness or listen to the General of the Universe, God, through His ministers and be "talked in" to love, friendship and all the worthwhile things on this earth. Our church is the communicating center between Him and ourselves. We may avail ourselves of the power, glory and wisdom of a Father who guides us to a haven of peace and understanding. Listen, friends! Tune in on the greatest force for good on earth — your church. "WE HAVE SERVED THIS COMMUNITY FOR 41 YEARS."
