31 YEARS IN THIS BUSINESS ISN'T EASY!
The "volume deal"—sell you a car and say goodbye—that's the easy way for an automobile dealer. But it doesn't go over in this area. Nope, here at Linch's we make friends—before and after the sale of an auto. Walter G. Linch has been doing that with his neighbors for 31 years. That means a "good deal" when you buy your used car and lots of service afterwards.

Speaking of buying cars, you can make a tremendous saving by buying at Linch's NOW. Prices on our Owner Recommended Used Cars are at their lowest point . . . from now on they go up as the summer season nears!
