## Bible Truths Erase Fear, Hord Affirms

"Fear is the fundamental foe of mankind, and it can be totally destroyed through spiritual understanding of God and man's relationship to him," Frank T. Hord of Washington, D. C., told a large Torrance audience Sunday afternoon, March 22.

"The great fear-destroying truths of the Bible, which cut the fetters of human bondage, are as available, vital, and operative today as they were twenty centuries ago," he said in a Christian Science lecture in the Torrance Civic Auditorium.

Hord is now lecturing in this region as a member of The Christian Science Board of Lecturers. His address here was under auspices of First Church of Christ, Scientist. He was introduced by Mrs. Bliss Keith, first reader. His subject was "Christian Science: The Science of Mind-Healing."

"National conflicts, disputes between capital and labor—as well as sin, sickness, and death—spring from human ignorance of God," according to Mr. Hord.

He said freedom, happiness, and harmonious living can be realized in individual experience—and collectively as well—in the degree that this ignorance is dispelled and the healing power of divine Love understood.

He took note of what he termed "the world's seeming frustration, discouragement, and despondency and the only sure answer to chaos and confusion is scientifically realizing and practicing divine truth."

## Methodist Choir To Present New Cantata Sunday

The newly-remodeled chancel and sanctuary and the custom-built organ will lend to the performance.

Featured performers will include Pat Cleve, organist; So-granos Wilma Crosby, Norma Debrick, Muriel Deasey, and Mary Lou Hutchison; Altos Martha Brown and Alda Clark; Tenor Gene Walker; and Baritone Bill Deasey and Edward Hutchison. Bob Bye will sing bass.

S. Earle Peterson, minister of music, will direct the evening's musical program.
