

# Walteria Folk Enjoy Easter Morn Services

By BETTY MITCHELL

attended Sunrise Services in the Recreation Park. I think it only fitting that we should express our appreciation of the Walteria Business Men's Club which sponsors this program annually. Program coordinator this year,

as he was last year, was James Whitmer. The three Walteria churches joined in bringing musical selections, while the address was given by Rev. Andrew Duty of the Walteria Baptist Church.

About 25 teen-agers gathered in the patio of the Bob Cramer home in Los Codona Easter morning for a ham 'n egg breakfast. After enjoying the meal the young people went to church together where they enjoyed the devotional service. The MYF held a paper drive last week which proved highly suc-

cessful. The drive was held as part of their campaign to raise funds for their summer camp.

Don't forget that tomorrow night in the Recreation hall the Cancer Society is holding its benefit card party. Instead of soliciting for funds this year, the society is holding these parties with refreshments and prizes so why not try to attend? As you know, the cancer center is now established on the corner of 101 Hwy. and Hawthorne Blvd.

On the sick list this week is Margaret Kettering of Neece Ave., who went to the hospital unexpectedly for surgery. She entered the Torrance Memorial Hospital on April 9. Here's our best get-well wishes for her.

Attending the Easter Sunrise services at Mt. Rubidoux in Riverside on Easter were Mrs. Mabel Blewett and Mrs. Margaret Dowd of Neece Ave. They were accompanied by Mrs. Ruth Boyer of Mar Vista and Mr. Patterson of Santa Monica. Mrs. Blewett and Mrs. Boyer also enjoyed a trip to Forest Lawn Me-

morial Park for the Crucifixion program on Good Friday.

Dinner guest of Mr. and Mrs. William Naumann of Tucson, Ariz., at the International Airport Friday evening were Mr. and Mrs. J. B. Mosley of Ward St.

Welcome guest in Walteria last Thursday evening was Mrs. Ellen Hill who now lives in North Torrance. Mrs. Hill lived here in Walteria for a number of years and has many friends here.

Several members of your community are recovering from recent surgery. Among them are Bob Hinesley, treasurer of the MYF, who had a tonsillectomy this last week. Dorothy Gunn of Raintree Ave. is also recovering from surgery performed on Monday, March 30, at the Torrance Memorial Hospital. Glad to hear that both are doing very well.

News of some of our servicemen reached us via the grapevine this week. Skippy Herrera,

who was home on leave for a couple of weeks, returned to the base in San Diego on Wednesday, April 1. He has been assigned to carrier duty. Bob LeMaster left Friday for Oklahoma for officers training, while Bob Sumpter of the Marines is here until April 15, when he will leave for more training in Florida.

Last Thursday evening Rev. and Mrs. Gene Gehres and their two daughters, Joy and Delight, arrived safely from their home in Windsor, Ill. Rev. Gehres will serve with the Walteria Community Methodist Church. We extend a hearty welcome to this new family for the community.
