## Tartar Trio Get Shot at Titles

Preliminaries in the Bay League trackfest will get under way tomorrow afternoon on the El Camino College cinder paths at 1 p.m., with schools from the league pitting the best they have to offer in an attempt to put some boys in the CIF and State meets later this spring.

### Junior Member Has Fastest Bird in Race

Bob Mitchell, junior member of the Harbor Area Pigeon Club, won the fourth race of the old bird season last weekend with his blue bar hen who flew from Fresno to Torrance at an average speed of 48 mph.

Released in Fresno at 7:13 a.m., the bird was clocked in the home loft at 12:48 p.m.—five hours and 36 minutes later.

A tailwind part of the way accounted for the fast race, club officials stated.

E. F. Kelley's blue pencil splashed cock was second, and Charles Schlenker of Lomita was third with a blue bar hen.

### Top contenders for varsity honors for Torrance are probably Leo Valencia in the mile, Doug Foulger in the broad jump, and Larry Roy in the pole vault.

The three varsity performers had the best performances in league action last Friday.

Other contenders will include Bob Brow in the 440, Al Rainwater in the 220, and Buzz Zamora, Jim Sandford, and David Ruffie in the mile.

A rundown of the best times turned in in the league last week may give an indication of the way the preliminaries will go tomorrow.

- 100—Gilbert (BH), Dorsey (SM), 10.5.
- 220—Dorsey (SM), 22.5.
- 440—Conway (SM), 52.
- 880—Monroe (Ing.), 2:09.
- Mile—Valencia (T), 4:40.7.
- 130 LH—Rafferty (I), 20.5.
- 120 HH—Thomas (SM), 16.1.
- Shot put—Abram (Red.), 52 ft. 9 in.
- High Jump—Arrillaga (I) and Halliburton (SM), 5 ft. 10 in.
- Broad Jump—Foulger (Tor.), 21 ft. 6 1/2 in.
- Pole Vault—Roy (Tor.), 12 ft. 880 Relay—(SM), 1:31.6.

## Official Pony Loop Play Opens Saturday

Practice rounds in the Recreation Department-sponsored Pony baseball league continued Saturday with Ron Anderson's No. 3 team playing the George Sutton team to a 2-2 tie.

Anderson gave up two runs on two hits, fanned nine batters, and walked seven. Sutton allowed seven scattered singles, struck out seven, and walked five. His bad throw to Gary Morris in an attempt to catch Chuck Todd off base accounted for the team's only error.

The Anderson crew, meanwhile, hobbled nine chances in the field and both opponent runs were unearned.

Pepper Wins  
In the afternoon game, Bob Pepper's squad defeated Craig Edmon's crew 5-4. John Hunt, winning pitcher, walked seven, struck out five, and allowed only three hits. He also collected two of his team's four hits, a first-inning single and a third-inning triple. Don McLeod was the losing pitcher.

### Pair Slightly Injured

Treated for minor injuries at Harbor General Hospital and released after their cars collided Sunday at 182nd St. and Hawthorne Ave. were Albert Leroy Leideker, 25, of 2806 Orrado; and Charles McCoughlin, 22, USN of Port Hueneine.

### OIL STATES

There were 449,500 producing oil wells in 26 states in 1950.

we keep on growing

As new residents keep right on moving to California—the demand for telephone service keeps pace.

In order to provide telephones for new subscribers and to speed and improve service, this company invested more than 24 million dollars in new equipment and facilities during 1952. As a result, the number of people on the waiting list for new telephones was reduced to the smallest total in the past six years.

But the demand continues at an almost undiminished rate. For 1953, we plan to invest in excess of 26 million dollars for additional pole lines, wire, cable, central office switching apparatus, buildings and other equipment.

Since the end of 1945, we have invested well over 100 million dollars in new telephone plant. That money was obtained through sale of our bonds and shares to investors.

This tremendous expansion had to be carried on in the face of steadily mounting costs. Still the cost of a telephone in the home takes a smaller portion of the family budget than it did ten years ago.

## \$25,000 REWARD FOR DYNAMITERS!

Southern California Edison Company offers to pay a reward of \$25,000 for information leading to the arrest and conviction of any person or persons for dynamiting the company's 220,000 volt transmission towers on Monday, March 23, and Tuesday, March 24.

The transmission towers dynamited are located on the company's Chino-Pisgah 220,000 volt transmission lines (Mile 229, Tower #1) approximately four miles east of the town of Chino, and the Hayfield-Highgrove 220,000 volt transmission lines (Mile 57, Tower #1) near Desert Hot Springs. These lines carry electric energy to the Edison system from Hoover Dam.

Other towers dynamited are located on the company's Magunden-Saugus 220,000 volt transmission lines (Mile 183, Tower #1) approximately twenty-seven miles north of Saugus and three miles east of Gorman. The Edison Magunden-Saugus transmission lines carry electric energy from the company's Big Creek generating plants in the High Sierra.

If you have any information concerning this sabotage, telephone the company collect at once, Los Angeles—Michigan 7111.
