

IT TAKES **GOD** EVERYTIME

*A robust man you are today, Full of vigor, vitality and vim; But through some common stroke of fate, Now, you must only depend on Him. Yes, when your stretcher rolls into your ward, The great physicians will do their best; Their skills and tools will work in rhyme, But remember friend, "It Takes God Every Time."*

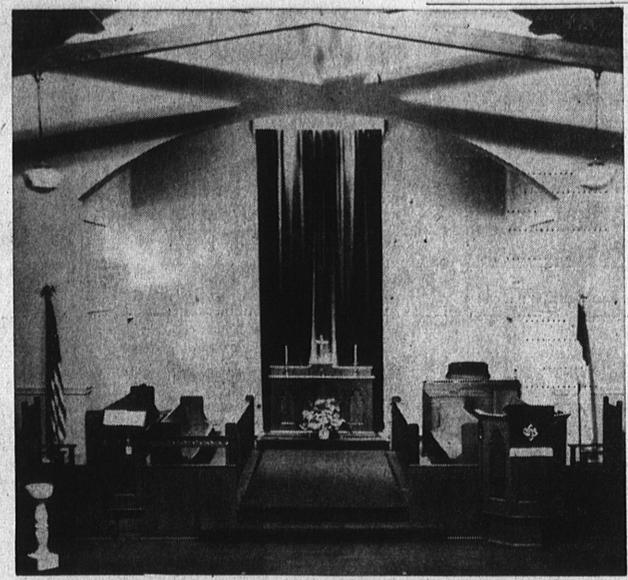

When Jesus was upon the earth the ancients believed 'demons' and 'unclean spirits' caused our ills. Today we name the causes 'germs' and 'microbes' and 'bacteria.' The ancients and we both believe that only a Great Power for good can make man well and drive out these evil things. Our hats are off to the physicians, surgeons, nurses and all the wonderful healing fraternity. They have done much. They are God's assistants. But they would be the first to join with the Psalmist of old that it is God "who healeth all my diseases."

The Son of God was the normal individual. His thoughts and feelings led to beautiful living. We must spend time in His company and 'catch' from Him the strength we need. We may find Him in the little church on the corner. Have you tried? Though we have many ills of body, unrighteousness is our greatest sickness. God now has millions of highly trained helpers and they are at work in hospital rooms and elsewhere all over the world, but "It Takes God Every Time."

**YOU IN THE CHURCH**

Character is a byproduct of the church. It is here that young and old alike are showered with the greatest blessing—character. In the church the membership and the church's religious character. Christian leaders are the officers of state in these perilous times. They are with our children and go to the church of our choice on Sunday. You in the church and the church in you. Ours is a daily BIBLE READER.

RECENTLY REMODELED CHANCEL AT METHODIST CHURCH . . . To Be Dedicated on May 7

### Bishop Kennedy To Officiate At Methodist Dedication Rites

Bishop Gerald Kennedy of the Los Angeles area will dedicate the remodeled sanctuary of the First Methodist Church of Torrance, Thursday evening, May 7, with a dedication service that begins at 8 p.m.

The remodeling of the chancel completes a project begun two years ago when pews were installed in the church. Last March the men of the church tore out a shell in the church, replastered the walls of the chancel, and installed new furnishings. The new pulpit, lectern and altar are in a simplified Spanish design to blend with the architecture of the building. The pulpit and lectern are gifts of Earl Robinson in memory of his sister, Della May Robinson.

The dedication services include the recognition of the new organ, which will be dedicated in memory of mothers. Many gifts for the organ included memorials or honors for mothers, whose names will be listed in a Book of Remembrances to be placed in the alcove of the church.

Preceding the dedication services, at 7:30, Vernon Robinson will give organ selections. Robinson was formerly Minister of Music of the church when the
