

Goodyear Tire Service Opens With Big Sale

SEALING PROFIT
The United States Treasury got \$122,594 from by-products of the Pribilof Islands fur sealing industry in fiscal 1950.

Scheduling a huge Grand Opening celebration tomorrow and Saturday is the new year Service Store at 8140 S. Vermont Ave., whose two-page advertisement appears in today's paper. The new store is designed to service the entire southwest area of Los Angeles and surrounding communities. The two-day celebration will include an open house where residents of the entire area may inspect the complete line of Goodyear tires and tubes and the fire, battery, and wheel alignment service facilities. Prizes will be awarded throughout the two-day fete.

Topping the entertainment and his baby monkey, "Richard." George Jay will be emcee of the various events during the two days and the Don Weston trio will furnish music for the grand opening.

Torrance Boy Passes Exams For Annapolis

Donald Mitchell, 19, vice-president of the student body at El Camino College last year, received word Monday that he had passed the physical and mental examinations for admission to the Naval Academy at Annapolis.

Official confirmation of his acceptance is expected sometime in June, according to his mother, Mrs. Herman L. Mitchell. Young Mitchell lives with his parents at 1317 Acaela Ave. His father is employed by Standard Oil Co.

Mitchell, who was nominated to the Academy by Cecil R. King, representative of the 17th Congressional district, expects to report for duty at Annapolis around the first of July. Born in Torrance, Mitchell attended Torrance High School where he was active in school affairs, and he belonged to the local DeMolay. He attended El Camino for a year and a half before leaving to prepare for the naval exams.
